

# BORE BRUSHES - OTIS NYLON BORE BRUSHES, 10 PAK FITS .30/.32/7.62MM/8MM

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

## Bronze Or Nylon Bristles Scrub Bores Clean Without Scratching

Hard-scrubbing brushes strip fouling quickly, leaving the bore sparkling clean. Premium-quality phosphor bronze bristles have twice the fill and a much longer life than generic brushes, with bristles all the way to the tip. More bristles mean fast, thorough cleaning. Stem is cold welded to the looped-and-wound brass core to withstand up to 200 lbs. of pull force without separating. All models are threaded to fit standard 8-32 rods and precision machined to ensure a clean starter thread so the brush screws on the rod easily. Caliber stamped on the stem, so you can be sure you always have the correct-size brush for your gun. Some calibers available with nylon bristles for jobs requiring less aggressive scrubbing action. Universal length fits both rifle and handgun bores.

## Attributes

- Name: [OTIS NYLON BORE BRUSHES, 10 PAK FITS .30/.32/7.62MM/8MM](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000034
- Mfr. No.: FG-330-BP-N
- Caliber: 30 Caliber (.308), 7.62x39 (.310), 8 mm (.323)
- Style: Rifle
- Quantity: 10
- Delivery weight: 0.136kg
- UPC: 014895330159

# Safety Instruction Guide for OTIS Nylon Bore Brushes

## Introduction

Thank you for choosing the OTIS Nylon Bore Brushes. This guide provides essential safety information to ensure the safe use of this product. Please read and follow these instructions carefully to maximize your safety and the product's effectiveness.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use in cleaning firearm bores. Always handle with care and follow all safety guidelines.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the instructions provided for safe return or remedy.
- **Online Shopping:** Ensure you purchase this product from reputable online platforms that comply with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU Safety Gate system for updates on product safety and recall notifications.

## Specific Safety Precautions for Use

- **Personal Safety:** Always wear safety glasses when using bore brushes to protect your eyes from debris.
- **Handling:** Avoid using excessive force when cleaning; this can damage the bore or the brush itself.
- **Inspection:** Before use, inspect the bore brush for any signs of damage or wear. Do not use if damaged.
- **Storage:** Store the bore brushes in a cool, dry place, away from direct sunlight and moisture.
- **Cleaning:** Clean the brushes according to the manufacturer's instructions to maintain their effectiveness and longevity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and cleaning solvent.

### 2. Installation:

- Attach the bore brush to a standard 832 cleaning rod by screwing it onto the rod's threaded end.
- Ensure the connection is secure to prevent the brush from detaching during use.

### 3. Usage:

- Apply a suitable cleaning solvent to the bore brush.
- Insert the brush into the firearm's bore, ensuring it goes in smoothly.
- Use a backandforth motion to scrub the bore, allowing the bristles to remove fouling.
- Repeat the process as necessary, depending on the level of fouling.
- After cleaning, remove the brush and clean the bore with a dry patch to remove any remaining solvent and debris.

#### 4. PostUsage Care:

- Clean the bore brush with warm, soapy water or a suitable solvent. Rinse thoroughly and allow to dry before storing.
- Store the brush in its protective plastic tube to prevent damage.

## Disposal Instructions

- Dispose of any worn or damaged bore brushes in accordance with local regulations for household waste.
- Do not dispose of brushes in water sources or public areas to prevent environmental contamination.

## Contact Information for Further Support

For any further inquiries or support regarding the OTIS Nylon Bore Brushes, please refer to the designated EU contact point associated with this product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
