

# CLEANING PATCHES - 919-1M ALL CALIBER CLEANING PATCHES, 1000-PAK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

## Get The Job Done Right

Choose from different types of Otis Cleaning Patches to get the job done right: small caliber, all caliber, and panoply. Small caliber patches are designed specifically for .17 caliber to .22 caliber rim-fire, while the all caliber patches are designed so that one patch cleans all firearms from .22 caliber to 12./10 gauge. Each Otis cleaning patch is made from 100-percent cotton and can be used up to 6 times, offering 6 new clean surfaces. Included is a slotted cleaning tip, which allows for effective 360-degree cleaning.

# Safety Instruction Guide for CLEANING PATCHES 9191M ALL CALIBER CLEANING PATCHES

## Introduction

Thank you for choosing the CLEANING PATCHES 9191M ALL CALIBER CLEANING PATCHES. This product is designed to provide effective cleaning for firearms of various calibers. To ensure safe and effective use of these cleaning patches, please follow the guidelines outlined in this instruction manual.

## General Safety Guidelines

- Always use cleaning patches in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Keep cleaning patches out of reach of children and vulnerable individuals.
- Inspect the cleaning patches for any damage before use. Do not use if damaged.
- Do not use cleaning patches for any purpose other than intended cleaning of firearms.
- Dispose of used cleaning patches responsibly and in accordance with local regulations.

## Specific Safety Precautions for Use

- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Do not ingest cleaning patches. If ingested, seek medical attention immediately.
- Store cleaning patches in a cool, dry place away from direct sunlight and heat sources.
- Use the slotted cleaning tip as directed to ensure effective cleaning and to avoid injury.
- Do not reuse cleaning patches beyond the recommended six uses to prevent contamination or ineffective cleaning.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies including the cleaning patches and slotted cleaning tip.

### 2. Using the Slotted Cleaning Tip:

- Insert the cleaning patch into the slotted cleaning tip.
- Ensure the patch is securely held in place.

### 3. Cleaning Procedure:

- Insert the slotted cleaning tip into the firearm's bore.
- Gently pull the cleaning patch through the bore, ensuring full contact with the interior surfaces.
- Repeat as necessary, using a fresh patch after every six uses.

### 4. PostCleaning:

- After cleaning, inspect the firearm to ensure it is functioning properly.
- Store the cleaning patches in their original packaging or a suitable container.

## Disposal Instructions

- Used cleaning patches should be disposed of in accordance with local waste management regulations.

- Do not dispose of cleaning patches in open flames or incinerators.
- If the cleaning patches are soiled with hazardous substances, consult local disposal guidelines for hazardous waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of CLEANING PATCHES 9191M ALL CALIBER CLEANING PATCHES, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
