

# CLEANING PATCHES - OTIS 918-1M M-16/SMALL CALIBER PATCHES, 1000-PAK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

## Get The Job Done Right

Choose from different types of Otis Cleaning Patches to get the job done right: small caliber, all caliber, and panoply. Small caliber patches are designed specifically for .17 caliber to .22 caliber rim-fire, while the all caliber patches are designed so that one patch cleans all firearms from .22 caliber to 12./10 gauge. Each Otis cleaning patch is made from 100-percent cotton and can be used up to 6 times, offering 6 new clean surfaces. Included is a slotted cleaning tip, which allows for effective 360-degree cleaning.

# **Safety Instruction Guide for Otis Cleaning Patches 9181M M16/Small Caliber Patches**

## **Introduction**

Thank you for choosing Otis Cleaning Patches 9181M M16/Small Caliber Patches. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before use.

## **General Safety Guidelines**

- Always follow the manufacturer's instructions for use.
- Ensure that the product is suitable for your specific firearm caliber.
- Keep out of reach of children and vulnerable individuals.
- Do not use if the product is damaged or shows signs of wear.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only for cleaning firearms as specified.
- Ensure that the firearm is unloaded before cleaning.
- Avoid contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and moisture.
- Use the slotted cleaning tip only as intended to avoid injury.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure your firearm is completely unloaded and in a safe condition for cleaning.
- Gather all necessary tools and materials, including the Otis Cleaning Patches and a cleaning rod.

### **2. Using the Patches**

- Select the appropriate size of Otis Cleaning Patch based on your firearm caliber:
  - Small caliber patches for .17 caliber to .22 caliber rimfire.
  - All caliber patches for firearms from .22 caliber to 12/10 gauge.
- Insert the cleaning patch into the slotted cleaning tip.
- Attach the cleaning tip to the cleaning rod.

### **3. Cleaning Process**

- Insert the cleaning rod into the firearm's bore.
- Move the cleaning rod back and forth gently to clean the bore.
- Use each patch up to 6 times to take advantage of the new clean surfaces.

### **4. PostCleaning**

- After cleaning, remove the cleaning patch and dispose of it properly.
- Inspect the firearm to ensure it is clean and functioning correctly.

## **Disposal Instructions**

- Dispose of used cleaning patches in accordance with local waste disposal regulations.
- Do not incinerate the patches, as they may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the Otis Cleaning Patches, please refer to the manufacturer's website or customer support channels for assistance. Ensure you have the product information ready for a quick resolution.

Thank you for prioritizing safety while using Otis Cleaning Patches. Your adherence to these guidelines helps ensure a safe and effective cleaning experience.
