# COMPACT GUN CLEANING SYSTEM RIFLE CLEANING KIT UNIVERSAL

## Introduction

Thank you for choosing the COMPACT GUN CLEANING SYSTEM RIFLE CLEANING KIT UNIVERSAL. This kit is designed to provide all the necessary tools for cleaning your firearm safely and effectively. It includes MemoryFlex® cable rods, O85® Ultra Bore™ solvent, slotted tip, patches, bore brushes, and various other accessories. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure safe use of the cleaning kit by following these guidelines:
  - Always handle firearms with care and ensure they are unloaded before cleaning.
  - Store the cleaning kit out of reach of children and vulnerable individuals.
  - Use the product only for its intended purpose as described in this manual.
  - Be aware of your surroundings while cleaning firearms to avoid accidents.
  - Regularly inspect all components of the cleaning kit for wear or damage before use.
  - Follow local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- When using the cleaning kit, please observe the following precautions:
  - Always wear safety goggles when using solvents to protect your eyes from splashes.
  - Use the cleaning solvents in a wellventilated area to avoid inhaling fumes.
  - Avoid contact with skin; if contact occurs, wash with soap and water immediately.
  - Do not ingest any cleaning solvents or materials from the kit.
  - Dispose of used patches and cleaning materials properly to prevent environmental contamination.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the cleaning kit:

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all components of the cleaning kit.

### 2. Assembling the Cleaning Rod:

- Attach the MemoryFlex® cable rod to the appropriate bore brush or slotted tip.
- Ensure the connection is secure to prevent disconnection during use.

### 3. Applying Cleaning Solvent:

- Apply a small amount of O85® Ultra Bore™ solvent to the cleaning patch or directly onto the bore brush.
- Use caution not to oversaturate the patch or brush.

### 4. Cleaning the Firearm:

- Insert the bore brush into the firearm's bore and gently push through.
- Repeat this process several times, ensuring the brush travels the full length of the bore.

- Use a clean patch to remove excess solvent and fouling from the bore.

#### **5. Final Inspection:**

- Inspect the bore and other components to ensure they are clean.
- Reassemble the firearm according to the manufacturer's instructions.

## **Disposal Instructions**

- Proper disposal of materials is essential for safety and environmental protection:
  - Dispose of used patches and cleaning materials in accordance with local regulations.
  - Do not dispose of solvents down the drain or in regular household waste.
  - Check with local waste management authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding product safety, usage, or support, please reach out to the designated contact point provided with your product packaging or visit the manufacturer's official website.

By following these guidelines and instructions, you can ensure a safe and effective cleaning experience with your COMPACT GUN CLEANING SYSTEM RIFLE CLEANING KIT UNIVERSAL. Thank you for your attention to safety.
