

## 5.56 B.O.N.E TOOL - OTIS 5.56 B.O.N.E BOLT CARRIER ASSEMBLY CLEANING TOOL

[Gunsmith Tools](#) > [Rifle Tools](#) > [Combination Tools](#)

AR owners know the importance of a clean bolt and bolt carrier group. Carbon and fouling can build-up in these areas, causing jams and malfunctions. The B.O.N.E.® Tool was designed specifically to clean the bolt carrier assembly area of 5.56 rifles. This quick-clean tool serves four purposes- Scrapes carbon and fouling from the: Bolt Bolt Carrier Firing Pin Includes a 8-32 threaded hole to act as a T-handle Note: While this tool fits many bolts flawlessly, it may fit some bolts better than others due to variance in bolts by different manufacturers.

# Safety Instruction Guide for 5.56 B.O.N.E Tool

## OTIS 5.56 B.O.N.E Bolt Carrier Assembly Cleaning Tool

### Introduction

Thank you for choosing the 5.56 B.O.N.E Tool. This tool is specifically designed for cleaning the bolt carrier assembly of 5.56 rifles. Proper maintenance is essential to ensure the safe and reliable operation of your firearm. This guide provides important safety instructions and information for the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always read and understand all instructions before using the tool.
- Ensure that the firearm is unloaded and free from ammunition before using the cleaning tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage or defects before use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this guide.
- Follow all local laws and regulations regarding firearms and cleaning tools.

### Specific Safety Precautions for Use

- Avoid contact with sharp edges while using the tool.
- Use protective eyewear to prevent debris from entering your eyes during cleaning.
- Do not use excessive force when scraping carbon and fouling to avoid damaging components.
- Ensure proper ventilation in your cleaning area to avoid inhaling harmful fumes.
- Store the tool in a safe place when not in use to prevent accidents.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary cleaning supplies, including cleaning solvents and cloths.

#### 2. Using the B.O.N.E Tool:

- Hold the tool firmly by the handle.
- Insert the appropriate end of the tool into the bolt carrier assembly area.
- Gently scrape carbon and fouling from the following components:
  - Bolt
  - Bolt Carrier
  - Firing Pin
- Use the 832 threaded hole to attach a Thandle if additional leverage is needed.
- Wipe clean the components with a cloth after scraping.

#### 3. PostCleaning:

- Inspect all components for cleanliness and proper operation.
- Reassemble the firearm according to the manufacturer's instructions.
- Store the tool in a safe and dry location.

## **Disposal Instructions**

- Dispose of any cleaning solvents and debris in accordance with local regulations.
- Do not dispose of the tool in regular household waste if it is damaged. Contact local waste management for proper disposal options.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure safe and effective use of the 5.56 B.O.N.E Tool. Thank you for prioritizing safety and maintenance in your firearm practices.
