

RIPCORDS - OTIS 223CAL/5.56MM RIPCORD 36"

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

This convenient tool cleans from Breech-to-Muzzle in one quick and easy pass. The molded rubberized core and Nomex® fibers together create an effective way to trap and remove fouling. Available in .223 cal/5.56mm, .308cal/7.62mm, 9mm, .45 cal, and .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, 12 gauge. Heat Resistant Outer Layer Made of heat resistant synthetic fibers (Nomex®); the same material used in the protective gear trusted by firefighters, racecar drivers, and the U.S. Military. Heat resistant up to 700° F so you can be sure this cleaning product won't melt in your barrel. Rigid, durable materials trap fouling better than nylon products Nomex® acts as both a brush to loosen and a patch to capture fouling particles Molded Rubberized Core Keeps the Nomex® cleaning surface pressed against the bore ensuring an aggressive 360° clean. Helix shape engages the rifling through the length of the barrel Threaded Ends Coated solid brass won't scratch or damage the bore Safe for all firearms 8-32 standard threads to accommodate additional cleaning components, if desired Safe obstruction removal for jammed cases and other blockages Smart Gun Care For proper cleaning, insert the longer, narrower end in the chamber and feed out the muzzle. Pull through from Breech-to-Muzzle®. Repeat as needed. Use only for caliber specified.

Attributes

- Name: [OTIS 223CAL/5.56MM RIPCORD 36"](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000130
- Mfr. No.: FG-RC-325

RIPCORDS OTIS 223CAL/5.56MM RIPCORD Safety Instruction Guide

Introduction

Thank you for choosing the RIPCORDS OTIS 223CAL/5.56MM RIPCORD. This innovative cleaning tool is designed for efficient BreechtoMuzzle cleaning of firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for the specified calibers: .223 cal/5.56mm, .308 cal/7.62mm, 9mm, .45 cal, .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, and 12 gauge.
- Always handle firearms safely and follow the manufacturer's guidelines for your specific firearm.
- Keep the cleaning tool out of reach of children and unauthorized users.
- Regularly inspect the cleaning tool for signs of wear or damage before use.
- Use the cleaning tool in a wellventilated area to avoid inhaling any particles or residues.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before cleaning.
- Do not use the cleaning tool if it is damaged or if the rubberized core is compromised.
- When using the cleaning tool, maintain a firm grip and avoid excessive force to prevent accidental injury.
- Be cautious of the heatresistant outer layer; avoid contact with flames or excessive heat sources.
- Follow proper cleaning procedures to prevent obstruction and ensure the tool functions as intended.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning components before starting.

2. Using the RIPCORD:

- Insert the longer, narrower end of the RIPCORD into the chamber of the firearm.
- Gently feed the RIPCORD out through the muzzle, ensuring the molded rubberized core maintains contact with the bore.
- Pull the RIPCORD through the barrel from BreechtoMuzzle®.
- Repeat the process as needed for thorough cleaning.
- Use only for the specified caliber to avoid damage.

3. After Cleaning:

- Inspect the firearm to ensure it is clean and free of any obstructions.
- Store the RIPCORD in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of the RIPCORD responsibly, following local regulations for the disposal of synthetic materials.
- Do not burn the product as it may release harmful fumes.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please contact the manufacturer directly. Ensure that you have the product details available for reference.

Thank you for your attention to these safety guidelines. Enjoy using your RIPCORDS OTIS 223CAL/5.56MM RIPCORD responsibly and safely!
