

# RIPCORDS - OTIS 45CAL RIPCORD 22.5"

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

This convenient tool cleans from Breech-to-Muzzle in one quick and easy pass. The molded rubberized core and Nomex® fibers together create an effective way to trap and remove fouling. Available in .223 cal/5.56mm, .308cal/7.62mm, 9mm, .45 cal, and .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, 12 gauge. Heat Resistant Outer Layer Made of heat resistant synthetic fibers (Nomex®); the same material used in the protective gear trusted by firefighters, racecar drivers, and the U.S. Military. Heat resistant up to 700° F so you can be sure this cleaning product won't melt in your barrel. Rigid, durable materials trap fouling better than nylon products Nomex® acts as both a brush to loosen and a patch to capture fouling particles Molded Rubberized Core Keeps the Nomex® cleaning surface pressed against the bore ensuring an aggressive 360° clean. Helix shape engages the rifling through the length of the barrel Threaded Ends Coated solid brass won't scratch or damage the bore Safe for all firearms 8-32 standard threads to accommodate additional cleaning components, if desired Safe obstruction removal for jammed cases and other blockages Smart Gun Care For proper cleaning, insert the longer, narrower end in the chamber and feed out the muzzle. Pull through from Breech-to-Muzzle®. Repeat as needed. Use only for caliber specified.

## Attributes

- Name: [OTIS 45CAL RIPCORD 22.5"](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000133
- Mfr. No.: FG-RC-345

# Safety Instruction Guide for RIPCORDS OTIS 45CAL RIPCORD 22.5"

## Introduction

Thank you for choosing the RIPCORDS OTIS 45CAL RIPCORD 22.5". This product is designed to provide an effective cleaning solution for firearms. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the firearm is unloaded and pointed in a safe direction before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for wear or damage to the product before each use.
- If you experience any issues or have concerns about the product, discontinue use and seek assistance.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Risk of injury if used improperly.
- Risk of damage to the firearm if the cleaning tool is not used correctly.

### • Instructions to Avoid Hazards:

- Always confirm that the firearm is clear of ammunition before using the cleaning tool.
- Do not force the cleaning tool through the barrel; use a gentle, steady pull.
- Avoid using the product in a manner not intended by the manufacturer.
- Do not use the product if it appears damaged or if the rubberized core is compromised.

## Instructions for Installation and Usage

### • Preparation:

- Ensure the firearm is unloaded and in a safe position.

### • Using the RIPCORD:

- Insert the longer, narrower end of the RIPCORD into the chamber of the firearm.
- Gently pull the RIPCORD through the barrel from Breech to Muzzle®.
- Repeat as necessary to achieve the desired level of cleanliness.

### • Post Use:

- Inspect the RIPCORD for any signs of wear or damage.
- Store the RIPCORD in a cool, dry place away from direct sunlight.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for materials if applicable.

## **Contact Information for Further Support**

For any inquiries regarding the RIPCORDS OTIS 45CAL RIPCORD 22.5", please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective cleaning experience with your RIPCORDS OTIS 45CAL RIPCORD 22.5".
