

# RIPCORDS - OTIS .40 CALIBER RIPCORD

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

This convenient tool cleans from Breech-to-Muzzle in one quick and easy pass. The molded rubberized core and Nomex® fibers together create an effective way to trap and remove fouling. Available in .223 cal/5.56mm, .308cal/7.62mm, 9mm, .45 cal, and .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, 12 gauge. Heat Resistant Outer Layer Made of heat resistant synthetic fibers (Nomex®); the same material used in the protective gear trusted by firefighters, racecar drivers, and the U.S. Military. Heat resistant up to 700° F so you can be sure this cleaning product won't melt in your barrel. Rigid, durable materials trap fouling better than nylon products Nomex® acts as both a brush to loosen and a patch to capture fouling particles Molded Rubberized Core Keeps the Nomex® cleaning surface pressed against the bore ensuring an aggressive 360° clean. Helix shape engages the rifling through the length of the barrel Threaded Ends Coated solid brass won't scratch or damage the bore Safe for all firearms 8-32 standard threads to accommodate additional cleaning components, if desired Safe obstruction removal for jammed cases and other blockages Smart Gun Care For proper cleaning, insert the longer, narrower end in the chamber and feed out the muzzle. Pull through from Breech-to-Muzzle®. Repeat as needed. Use only for caliber specified.

## Attributes

- Name: [OTIS .40 CALIBER RIPCORD](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000134
- Mfr. No.: FG-RC-341
- Caliber: 40/10 mm (.400-.401)
- Cartridge: -
- Material: -
- Style: Pistol
- Delivery weight: 0.061kg
- Shipping height: 25mm
- Shipping width: 140mm
- Shipping length: 254mm
- UPC: 014895002216

# Safety Instruction Guide for RIPCORDS OTIS .40 CALIBER RIPCORD

## Introduction

Thank you for choosing the RIPCORDS OTIS .40 CALIBER RIPCORD. This product is designed to provide an efficient and effective cleaning solution for your firearms. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always use the product as intended and according to the guidelines provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury if used improperly.
  - Risk of damage to the firearm if the product is not used according to instructions.
- **Avoiding Hazards:**
  - Ensure that the firearm is unloaded before using the RIPCORD.
  - Do not use the RIPCORD if it shows signs of damage.
  - Always follow the recommended cleaning procedure to avoid blockages or damage.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure the firearm is completely unloaded and pointed in a safe direction.
- **Using the RIPCORD:**
  - Insert the longer, narrower end of the RIPCORD into the chamber of the firearm.
  - Feed the RIPCORD through to the muzzle.
  - Pull the RIPCORD through from BreechtoMuzzle® for an effective clean.
  - Repeat as necessary for thorough cleaning.
- **PostUse Care:**
  - After use, clean the RIPCORD according to the manufacturer's instructions to maintain its effectiveness.
- **Compatibility:**
  - Use only for the calibers specified: .40 cal, as well as other compatible calibers mentioned in the product specifications.

## **Disposal Instructions**

- Dispose of the RIPCORDER in accordance with local regulations for waste disposal.
- Do not dispose of the product in household waste; check for recycling options if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIPCORDER OTIS .40 CALIBER RIPCORDER, please reach out to the designated contact point provided with your product packaging or visit the manufacturer's website for more information.

Thank you for prioritizing safety while using the RIPCORDER OTIS .40 CALIBER RIPCORDER. Following these guidelines will help ensure a safe and effective cleaning experience for your firearms.
