Safety Instruction Guide for the 5.56 MSPR PISTON CLEANING KIT

Introduction

The 5.56 MSPR PISTON CLEANING KIT is designed to provide a quick and effective cleaning solution for your modern sporting rifle. This lightweight system allows for thorough cleaning without disassembly, ensuring your firearm remains in optimal condition. This guide provides essential safety instructions to ensure safe and effective use of the cleaning kit in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the cleaning kit is used only for its intended purpose.
- Keep the cleaning kit out of reach of children and vulnerable individuals.
- Always inspect the cleaning tools for damage before use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear protective eyewear when using cleaning chemicals or tools.
- Use the cleaning kit in a wellventilated area to avoid inhaling fumes from cleaning solvents.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
- Do not use the cleaning kit if you are under the influence of drugs or alcohol.
- Ensure that the firearm is unloaded before cleaning.
- Do not point the firearm at yourself or others during cleaning.
- Store all components of the cleaning kit securely when not in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary components of the cleaning kit.

2. Cleaning Process:

- Attach the appropriate MemoryFlex® Cable to the bore brush.
- Insert the bore brush into the chamber and push it through the barrel to the muzzle.
- Repeat the process with the bronze bore brush to remove copper deposits and fouling.
- Use specialized precision tools for thorough cleaning of hardtoreach areas.
- Apply O85® Ultra Bore® to lubricate and protect the firearm.

3. PostCleaning:

- Wipe down the exterior of the firearm with a clean cloth.
- Store the cleaning kit in a cool, dry place.
- Ensure all components are accounted for before storing.

Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of cleaning chemicals in regular household waste.
- Check for local hazardous waste disposal options for proper disposal of cleaning materials.

Contact Information for Further Support

For any inquiries regarding the safety and use of the 5.56 MSPR PISTON CLEANING KIT, please refer to the manufacturer's website or contact their customer service team for assistance.
