7.62 MSR Cleaning Kit Safety Instructions

Introduction

Thank you for choosing the 7.62 MSR Cleaning Kit by OTIS. This cleaning kit is designed to provide effective maintenance for your modern sporting rifle. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the cleaning kit by following all instructions.
- Be aware of potential hazards associated with cleaning firearms.
- Keep the cleaning kit out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the cleaning kit.
- Use the appropriate tools for cleaning to avoid damaging the firearm.
- Avoid using excessive force when cleaning to prevent injury or damage.
- Store the cleaning kit in a cool, dry place to maintain its integrity.
- Do not mix cleaning chemicals; use only those recommended for your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is pointed in a safe direction and is completely unloaded.
- Gather all necessary tools from the cleaning kit.

2. Using the MemoryFlex® Cables:

- Select the appropriate length of MemoryFlex® Cable (8" or 30") based on your firearm's needs.
- Attach the bronze bore brush to the cable.
- Insert the cable into the barrel from the breech end and pull through to the muzzle end.

3. Cleaning Process:

- Use the bronze bore brush to remove copper deposits and fouling.
- Follow with a cleaning patch soaked in O85® Ultra Bore® to clean, lubricate, and protect the barrel.
- Repeat the process as necessary until the barrel is clean.

4. Precision Tools:

- Utilize specialized precision tools for detailed cleaning of hard-to-reach areas.
- Carefully disassemble any components as needed, ensuring to remember the order for reassembly.

5. Final Steps:

- After cleaning, ensure all components are dry and free of cleaning solution.
- Reassemble the firearm carefully, following the manufacturer's specifications.

Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning chemicals down the drain or in the environment. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding the 7.62 MSR Cleaning Kit, please refer to the contact information provided with your product packaging or visit the manufacturer's website for support resources.

By following these safety instructions, you can ensure the safe and effective use of your 7.62 MSR Cleaning Kit. Thank you for your attention to safety and proper maintenance of your firearm.
