

RIPCORDS - OTIS 12 GAUGE SHOTGUN RIPCORD

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Chamber Brushes](#)

This convenient tool cleans from Breech-to-Muzzle in one quick and easy pass. The molded rubberized core and Nomex® fibers together create an effective way to trap and remove fouling. Available in .223 cal/5.56mm, .308cal/7.62mm, 9mm, .45 cal, and .40 cal, .243 cal/6.5mm, .270 cal/6.8mm, 12 gauge. Heat Resistant Outer Layer Made of heat resistant synthetic fibers (Nomex®); the same material used in the protective gear trusted by firefighters, racecar drivers, and the U.S. Military. Heat resistant up to 700° F so you can be sure this cleaning product won't melt in your barrel. Rigid, durable materials trap fouling better than nylon products Nomex® acts as both a brush to loosen and a patch to capture fouling particles Molded Rubberized Core Keeps the Nomex® cleaning surface pressed against the bore ensuring an aggressive 360° clean. Helix shape engages the rifling through the length of the barrel Threaded Ends Coated solid brass won't scratch or damage the bore Safe for all firearms 8-32 standard threads to accommodate additional cleaning components, if desired Safe obstruction removal for jammed cases and other blockages Smart Gun Care For proper cleaning, insert the longer, narrower end in the chamber and feed out the muzzle. Pull through from Breech-to-Muzzle®. Repeat as needed. Use only for caliber specified.

Attributes

- Name: [OTIS 12 GAUGE SHOTGUN RIPCORD](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000140

RIPCORDS OTIS 12 GAUGE SHOTGUN RIPCORD

Safety Instructions

Introduction

Thank you for choosing the RIPCORDS OTIS 12 GAUGE SHOTGUN RIPCORD. This product is designed to provide an efficient and effective cleaning solution for your shotgun. To ensure safe usage and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the firearm is unloaded before using the cleaning tool.
- Always handle firearms with care and follow all safety protocols.
- Keep the cleaning tool out of reach of children and unauthorized users.
- Inspect the RIPCORD for any damage before use. Do not use if damaged.
- Use the product only for the specified calibers listed in the product specifications.
- Store the cleaning tool in a cool, dry place away from direct sunlight.

Specific Safety Precautions for Use

- Use the RIPCORD only as intended. Do not attempt to modify or alter the product.
- Avoid using the tool in wet or damp conditions to prevent damage to the cleaning fibers.
- Do not force the RIPCORD through the barrel; if resistance is met, stop and check for obstructions.
- Ensure that the threaded ends are securely attached to prevent detachment during use.
- Be cautious of the heat resistant outer layer; while it can withstand high temperatures, avoid prolonged exposure to extreme heat.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary components and the RIPCORD.

2. Inserting the RIPCORD:

- Insert the longer, narrower end of the RIPCORD into the chamber of the shotgun.
- Feed the RIPCORD through the barrel until it reaches the muzzle.

3. Cleaning Process:

- Pull the RIPCORD through the barrel from BreechtoMuzzle® in a smooth motion.
- Repeat the process as needed to achieve a thorough clean.
- Use only for the specified caliber to avoid damage.

4. PostCleaning:

- After cleaning, inspect the barrel for any remaining fouling.
- Store the RIPCORD in a safe location.

Disposal Instructions

- Dispose of any used cleaning materials according to local regulations.

- Do not dispose of the RIPCORDER in household waste. Check for local recycling options or hazardous waste disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the RIPCORDER OTIS 12 GAUGE SHOTGUN RIPCORDER, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with the RIPCORDER OTIS 12 GAUGE SHOTGUN RIPCORDER. Always prioritize safety and responsible handling of your firearm and cleaning tools. Thank you for your attention to these important guidelines.
