# PATRIOT SERIES PISTOL KIT Safety Instruction Guide

## Introduction

Thank you for choosing the PATRIOT Series Pistol Kit by Otis. This guide provides essential safety information and instructions to ensure the safe use of your firearm maintenance gear. Please read this guide carefully before using the product to ensure your safety and the safety of others.

## General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep all firearm maintenance products out of reach of children and unauthorized individuals.
- Use the PATRIOT Series Pistol Kit only for its intended purpose: cleaning and maintaining firearms.
- Always wear protective eyewear when cleaning firearms to prevent injury from potential debris.
- Ensure that the firearm is unloaded before starting any cleaning or maintenance procedures.
- Store the kit in a secure location when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- Read the instructions included in the kit before using any tools or materials.
- Use only the provided components of the kit for cleaning and maintenance. Do not substitute with other products.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning equipment.
- Dispose of used patches and cleaning materials properly to prevent environmental contamination.
- Be aware of your surroundings when cleaning firearms to avoid accidents or injuries to yourself or others.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is unloaded. Check the chamber and magazine to confirm.
- Gather all components from the PATRIOT Series Pistol Kit.

### 2. Cleaning Procedure

- Attach the appropriate bore brush or mop to the cleaning rod.
- Insert the brush or mop into the firearm's barrel, moving it from the breech to the muzzle.
- Use a backandforth motion to ensure thorough cleaning.
- After cleaning, use a cotton patch to remove any remaining debris. Insert the patch through the bore brush and repeat the cleaning motion.
- Once cleaning is complete, ensure that no cleaning materials are left inside the barrel.

### 3. PostCleaning

- Inspect the firearm for any signs of wear or damage after cleaning.
- Store the firearm and cleaning kit in a secure location.

## Disposal Instructions

- Dispose of used patches, brushes, and any cleaning materials in accordance with local regulations.
- Do not dispose of cleaning products in household waste. Follow local guidelines for hazardous waste disposal.
