Safety Instruction Guide for PATRIOT SERIES PISTOL KIT

Introduction

Thank you for choosing the PATRIOT Series Pistol Kit by Otis. This kit is designed to provide essential firearm maintenance tools for safely cleaning your handgun. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow local laws and regulations regarding firearm maintenance and cleaning.
- Keep the kit out of reach of children and unauthorized users.
- Inspect all tools and equipment before use to ensure they are in good condition.
- Use the kit only for its intended purpose as described in this manual.
- If you experience any discomfort or unusual reactions while using this kit, stop immediately and seek assistance.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before cleaning.
- Wear safety glasses to protect your eyes from debris.
- Use gloves to prevent contact with cleaning solvents.
- Do not point the firearm at yourself or others during the cleaning process.
- Avoid using excessive force when cleaning to prevent damage to the firearm or tools.
- Store cleaning solvents and chemicals in a safe place, away from children and pets.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and the magazine is removed.
- Gather all tools and materials from the kit.

2. Cleaning Process

- Attach the THandle to the MemoryFlex® cable.
- Insert the bore brush into the barrel from the breech end.
- Use a backandforth motion to clean the interior of the barrel.
- Follow with the mop to remove any remaining debris.
- Use the short allpurpose brush for cleaning other parts of the firearm as needed.
- Use the cotton patches to wipe down surfaces and remove excess solvent.

3. PostCleaning

- Inspect the firearm to ensure it is clean and free of debris.
- Reassemble the firearm according to the manufacturer's instructions.
- Store the cleaning kit in its hard case for future use.

Disposal Instructions

- Dispose of used patches and cleaning materials in accordance with local regulations.
- Do not dispose of cleaning solvents down the drain or in regular trash.
- Check with local waste management for proper disposal methods of chemicals and solvents.
