# PATRIOT SERIES RIFLE KIT Safety Instruction Guide

## Introduction

Thank you for choosing the PATRIOT Series Rifle Kit by Otis. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning kit. It is crucial to follow these guidelines to prevent accidents and to maintain the integrity of your firearm.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store the cleaning kit and firearms in a secure location, away from children and unauthorized users.
- Use the cleaning kit only for its intended purpose—cleaning firearms.
- Keep the cleaning kit out of reach of children and pets.
- Regularly inspect the cleaning kit for any signs of wear or damage before use.
- Dispose of any cleaning materials or tools according to local regulations to prevent environmental harm.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before starting the cleaning process.
- Always follow the manufacturer's instructions for cleaning your specific firearm model.
- Be cautious when using tools included in the kit to avoid injury.
- Do not use excessive force when cleaning, as this may damage the firearm or cleaning tools.
- Avoid using the cleaning kit in poorly lit or cramped spaces to prevent accidents.
- If you are unsure about any aspect of firearm cleaning, seek guidance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a safe and welllit area.
- Gather all necessary tools from the kit.

### 2. Cleaning Process:

- **Unload the Firearm:**
  - Verify that the firearm is completely unloaded.
- **Assemble the Cleaning Tools:**
  - Use the Thandle to attach the appropriate cleaning rod or brush for your caliber.
- **Clean the Bore:**
  - Insert the cleaning rod into the barrel from the breech end.
  - Use a backandforth motion to clean the bore thoroughly.
- **Use Cleaning Solutions:**
  - Apply the recommended cleaning solution to the brush or patch as directed.
- **Check for Residue:**
  - After cleaning, use a clean patch to check for any remaining residue.
- **Reassemble the Firearm:**
  - Once cleaning is complete, reassemble your firearm according to the manufacturer's instructions.

### 3. PostCleaning:

- Store the cleaning kit and any cleaning solutions in a secure location.
- Dispose of used patches and cleaning materials properly.

## Disposal Instructions

- Dispose of any cleaning materials, such as patches and brushes, according to local waste disposal regulations.
- Do not dispose of cleaning solutions down the drain unless specified by the manufacturer.
- Check local guidelines for the safe disposal of hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the PATRIOT Series Rifle Kit or safety inquiries, please contact the relevant EUbased support service. Always ensure that you have the latest information and guidance for safe firearm maintenance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your PATRIOT Series Rifle Kit. Thank you for prioritizing safety in firearm maintenance.
