Safety Instruction Guide for the 12GA PATRIOT SERIES SHOTGUN KIT

Introduction

Thank you for choosing the 12GA PATRIOT SERIES SHOTGUN KIT by Otis. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your shotgun cleaning kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the cleaning kit is used only by individuals familiar with firearms and firearm maintenance.
- Always follow the manufacturer's instructions when using the cleaning kit.
- Store the cleaning kit in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the cleaning tools for wear or damage before use.
- If you notice any defects or issues with the product, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before cleaning.
- Use the cleaning kit in a wellventilated area to avoid inhaling any cleaning agents.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, while using the cleaning kit.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning tools.
- Do not mix different cleaning agents unless specified by the manufacturer.
- Keep cleaning agents away from heat sources and open flames.
- Dispose of used cleaning materials and agents in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is completely unloaded.
- Gather all cleaning components from the kit.

2. Using the Thandle

- Attach the appropriate cleaning brush or patch holder to the Thandle.
- Insert the Thandle into the shotgun barrel from the breech end.

3. Cleaning Process

- Apply the recommended cleaning agent to the brush or patch.
- Insert the brush or patch into the barrel and pull it through in a smooth motion.
- Repeat the process until the barrel is clean, using a clean patch to check for residue.

4. Final Steps

- After cleaning, ensure all cleaning materials are removed from the shotgun.
- Store the cleaning kit in a secure location.
- Regularly check the shotgun for any maintenance needs.

Disposal Instructions

- Dispose of any used cleaning agents and materials according to the local waste management regulations.
- Do not dispose of cleaning agents down the drain or in regular household waste unless specified as safe by the manufacturer.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's customer service resources. Ensure you have the product details handy for efficient assistance.

Thank you for prioritizing safety while using the 12GA PATRIOT SERIES SHOTGUN KIT. Your adherence to these guidelines will help ensure a safe and effective cleaning experience.
