# Safety Instruction Guide for Otis Bore Brush 2PK Nylon/Bronze

## Introduction

Thank you for choosing the Otis Bore Brush 2PK Nylon/Bronze. This product is designed to help you maintain your firearm effectively and safely. This guide provides essential safety instructions to ensure proper use and care of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of damage or wear.
- Use the product only as intended, following the instructions provided.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about safety recalls and updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use caution when handling the brushes, as the bristles can be sharp.
- Ensure that the firearm is unloaded before cleaning.
- Avoid using excessive force when inserting or removing the brush from the bore.
- Do not use the brush on firearms that are not compatible with the 12gauge size.
- Wear protective eyewear to protect against debris during cleaning.
- Do not leave the brushes unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary cleaning supplies, including the Otis Bore Brush and a cleaning rod.

### 2. Installation:

- Attach the appropriate brush (Nylon or Bronze) to the cleaning rod by screwing it onto the 832 thread.
- Ensure the brush is securely fastened before use.

### 3. Usage:

- Insert the brush into the bore from the chamber end.
- Gently push the brush through the bore, using a smooth motion. Avoid forcing it.
- Pull the brush back out of the bore.
- Repeat the process as necessary for thorough cleaning.
- Clean the brush after use and store it in a safe place.

## Disposal Instructions

- Dispose of any damaged brushes in accordance with local regulations for waste disposal.
- If the product is no longer usable, ensure it is disposed of safely to prevent harm to the environment.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
