Safety Instruction Guide for Otis Bore Brush 2PK Nylon/Bronze

Introduction

Thank you for choosing the Otis Bore Brush 2PK Nylon/Bronze. This product is designed to provide superior cleaning for your firearms, ensuring optimal performance and safety. This guide contains important safety instructions and guidelines to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the brushes for wear and damage before use.
- If you notice any defects or damage, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the correct caliber brush for your firearm to avoid damage.
- Do not use excessive force when cleaning to prevent bristle damage.
- Do not use the brushes on firearms that are loaded or have ammunition present.
- Wear appropriate eye protection to prevent injury from debris.
- Store the brushes in a safe, dry place away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Select the Appropriate Brush:

- Identify the caliber of your firearm (28 Gauge).
- Choose the corresponding Otis brush (Nylon or Bronze) from the pack.

2. Attach the Brush:

- Screw the brush onto the cleaning rod using the 832 thread.
- Ensure it is securely fastened before use.

3. Cleaning Procedure:

- Insert the brush into the bore of the firearm.
- Use a smooth, backandforth motion to clean the bore.
- Avoid twisting or applying excessive pressure to prevent damage to the brush or firearm.

4. PostCleaning:

- After use, clean the brush with a suitable solvent to remove any residue.
- Allow the brush to dry completely before storing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the brushes in regular household waste if they are contaminated with hazardous materials.
- Check for local recycling programs that accept cleaning supplies.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the manufacturer's website or customer support channels. Always ensure you have the product details available when seeking assistance.

By following these guidelines, you can ensure safe and effective use of your Otis Bore Brush 2PK Nylon/Bronze. Thank you for your attention to safety and responsible firearm maintenance.
