## Have The Right Brush On Hand For The Toughest Cleaning Job

Nylon, bronze or stainless steel bristles means you will always have the correct brush on hand even for the toughest cleaning requirement. Flexible, double-ended design is best around in the shop; can be put to dozens of uses cleaning, polishing and restoring. Blue or white nylon takes care of fresh carbon or powder residue inside or out but won't scratch your firearm's finish. Extra-gentle white nylon is also perfect for cleaning delicate wood surfaces. Bronze cleans more stubborn residue on metal surfaces that require more aggressive scrubbing action like inside slides, receivers or locking lugs. Stainless steel is best for aggressive cleaning of fouling other brushes won't touch. Use stainless steel on interior surfaces only because it will scratch and mark most gun steels and finishes.

## Attributes

- Name: [OTIS NYLON BRUSH KIT 3/PACK](#)
- Manufacturer: [OTIS](#)
- Product no.: 668000785
- Mfr. No.: FG-316-NB-3
- Material: Nylon
- Quantity: 3
- Delivery weight: 0.032kg
- Shipping height: 15mm
- Shipping width: 60mm
- Shipping length: 226mm
- UPC: 014895004296

# ALL PURPOSE CLEANING BRUSHES OTIS NYLON BRUSH KIT 3/PACK Safety Instruction Guide

## Introduction

Thank you for choosing the ALL PURPOSE CLEANING BRUSHES OTIS NYLON BRUSH KIT 3/PACK. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the brushes.

## General Safety Guidelines

- Always use the brushes as intended to avoid injury or damage.
- Keep brushes out of reach of children to prevent accidents.
- Inspect brushes before use. Do not use if damaged.
- Store brushes in a dry place away from direct sunlight to maintain their integrity.
- If you experience any adverse reactions while using the brushes, discontinue use immediately and seek medical advice.

## Specific Safety Precautions for Use

- Nylon Brushes:
  - Use only on surfaces that will not be scratched.
  - Ideal for cleaning fresh carbon or powder residue.
- Bronze Brushes:
  - Suitable for more stubborn residue on metal surfaces.
  - Use with caution on delicate finishes to avoid scratches.
- Stainless Steel Brushes:
  - Use only on interior surfaces of firearms.
  - Avoid using on any surfaces that may scratch or mark.
  - Not suitable for delicate finishes; use only for aggressive cleaning tasks.

## Instructions for Installation and Usage

### 1. Selecting the Right Brush:

- Choose the appropriate brush based on the material and type of residue you are cleaning.
- For delicate surfaces, use the white nylon brush.
- For tougher residue, the bronze or stainless steel brushes are recommended.

### 2. Using the Brushes:

- Hold the brush by the polymer handle for a secure grip.
- For best results, use a backandforth motion when scrubbing.
- Avoid applying excessive force to prevent damage to the surface being cleaned.

### 3. Cleaning and Maintenance:

- After use, clean the brushes with soap and water to remove residue.
- Allow brushes to dry completely before storing.

## **Disposal Instructions**

- Dispose of the brushes in accordance with local waste disposal regulations.
- Do not dispose of brushes in household waste if they are considered hazardous.
- Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## **Reporting Unsafe Products**

If you encounter any unsafe products or accidents, please report them to the appropriate authorities. Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your ALL PURPOSE CLEANING BRUSHES OTIS NYLON BRUSH KIT 3/PACK!
