

WISE SOFT JAWS - OTIS WISE SOFT JAWS REMINGTON 1100

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Vise Jaws](#)

For gunsmiths or firearm owners working on their AK firearms, the Otis AK Soft Jaws are an essential item to protect your AK while keeping it secure in a vise. Works with light duty vises up to large, heavy duty vises (minimum vise jaw measurement is 4"L x 0.5"H). Composed of a non-slip rubber material, these soft jaws have the perfect balance of hardness to keep even the smallest parts clamped and flexibility to mold to the various shapes of a firearm. Softer than gun parts, these soft jaws will not mar or scratch gun metals. The rubber is oil, solvent and alcohol resistant and easily wipes clean. They also feature a top lip which not only help protect the firearm but in conjunction with embedded magnets, also hold the Soft Jaws to the jaws of the vise. Designed by a group of professional gunsmiths, the AK soft jaws are designed specifically for AK firearm platforms and feature detailed contouring and rivet holes to perfectly fit and securely hold rifles of the AKM pattern, the most commonly found AK style. This Soft Jaw will not fit RPK pattern AK rifles.

WISE SOFT JAWS OTIS & REMINGTON 1100

Safety Instruction Guide

Introduction

Thank you for choosing the WISE SOFT JAWS OTIS & REMINGTON 1100. These soft jaws are designed to provide safe and secure handling of your AK firearms while working in a vise. This guide outlines essential safety instructions to ensure safe usage, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that your work area is welllit and free from clutter.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when working with firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the soft jaws for wear and tear before each use.
- Do not use the soft jaws if they are damaged or worn out.
- Always follow the manufacturer's instructions when using the product.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before securing it in the vise.
- Use the soft jaws only with vises that have a minimum jaw measurement of 4"L x 0.5"H.
- Avoid overtightening the vise, which may cause damage to the firearm or the soft jaws.
- Do not use the soft jaws for any purpose other than securing firearms.
- Ensure that the embedded magnets are properly aligned to secure the soft jaws to the vise.
- If using solvents or lubricants, ensure they are compatible with the rubber material of the soft jaws.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and clear of any ammunition.
- Clean the vise jaws to remove any debris or old materials.

2. Installation of Soft Jaws:

- Place the soft jaws onto the vise jaws, ensuring they fit securely.
- Align the top lip of the soft jaws with the edge of the vise jaws for added protection.
- Use the embedded magnets to hold the soft jaws in place.

3. Securing the Firearm:

- Carefully position the firearm in the center of the soft jaws.
- Gradually close the vise until the soft jaws hold the firearm securely, ensuring that the firearm is stable and will not shift during work.
- Doublecheck that the firearm is held firmly without excessive pressure that could cause damage.

4. During Use:

- Monitor the firearm and soft jaws for any movement or signs of wear while working.
- If any issues arise, stop work immediately and assess the situation.

5. **PostUse:**

- Once work is completed, carefully release the vise and remove the firearm.
- Clean the soft jaws with a suitable cleaner and wipe them dry.
- Store the soft jaws in a dry place, away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the soft jaws in household waste. Check for recycling options for rubber materials.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VISE SOFT JAWS OTIS & REMINGTON 1100, please refer to the manufacturer's contact information as provided in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective working environment when using the VISE SOFT JAWS OTIS & REMINGTON 1100. Always prioritize safety and take the necessary precautions to protect yourself and your firearm. Thank you for your attention to these guidelines, and enjoy your work with confidence!
