[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Handgun Cleaning Kits](#)

## Pocket-Size Kit Cleans All Your Duty Weapons

Everything you need to thoroughly clean any handgun, from 9mm to .45 caliber, in a handy case that zips open to reveal an incredible array of cleaning tools and supplies. The non-scratch Memory Flex cleaning cable rolls up for storage. Woven cotton patches can be repositioned on slotted tips to present fresh cleaning surfaces for six separate passes. Kit also includes brass slotted tips, bronze bore brushes, NATO rod adapter, Otis O85 Ultra Bore cleaner/lubricant/protectant, multi-purpose utility brush, fiber optic bore reflector/safety flag, and an array of picks, scrapers, and small-parts cleaning tools. Each item fits into its own slot in the zippered, soft-side nylon carrying case with 2½" wide belt loop.

# Safety Instruction Guide for the Otis Professional Pistol Cleaning System

## Introduction

Thank you for choosing the Otis Professional Pistol Cleaning System. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning system. Please read this guide carefully before use to ensure the safety of yourself and others.

## General Safety Guidelines

- **Product Safety:** This product is designed for the safe cleaning of handguns. Ensure that you follow all safety instructions to avoid injury or damage.
- **Enhanced Recalls:** In the unlikely event of a product recall, please check the manufacturer's website or the EU Safety Gate platform for updates and instructions.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information available on the packaging or their website.
- **Rapid Alerts:** Stay informed about potential safety alerts by regularly checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the handgun is unloaded before cleaning.
- Do not use the cleaning system if any components are damaged or missing.
- Use only the recommended cleaning solvents and lubricants included in the kit.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning tools.
- Store the cleaning system in a cool, dry place away from direct sunlight and out of reach of children.
- Do not modify any components of the cleaning system.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary components from the kit, including the cleaning cable, brushes, patches, and cleaning solvent.
- Ensure that you are in a wellventilated area.

### 2. Cleaning Process:

- **Step 1:** Ensure the handgun is unloaded. Visually and physically check the chamber.
- **Step 2:** Attach the appropriate bore brush to the cleaning cable. Insert the brush into the barrel from the chamber end.
- **Step 3:** Pull the cleaning cable through the barrel several times to remove fouling.
- **Step 4:** Replace the bore brush with a cotton patch on the slotted tip. Apply a small amount of cleaning solvent to the patch.
- **Step 5:** Insert the patch into the barrel and pull it through. Repeat this process until the patches come out clean.
- **Step 6:** Use the utility brush to clean other parts of the handgun as needed.
- **Step 7:** Reassemble the handgun following the manufacturer's instructions.

### **3. PostCleaning:**

- After cleaning, ensure that all components are properly stored in the nylon carrying case.
- Dispose of used patches and cleaning materials in accordance with local regulations.

## **Disposal Instructions**

- Dispose of any cleaning solvents and materials according to local hazardous waste disposal regulations.
- Recycle packaging materials where possible. Check local recycling guidelines for more information.

## **Contact Information for Further Support**

For any questions or concerns regarding the Otis Professional Pistol Cleaning System, please refer to the manufacturer's contact information provided on the packaging or their official website.

Thank you for choosing the Otis Professional Pistol Cleaning System. Your safety and satisfaction are our top priorities.
