Rinse Tank Brush Safety Instructions

Introduction

Thank you for choosing the Rinse Tank Brush from Osborn Manufacturing. This product is designed for effective cleaning in rinse tanks using natural fibers. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the brush as intended to avoid accidents.
- Keep the brush out of reach of children and vulnerable individuals.
- Regularly inspect the brush for any wear or damage before use.
- Do not use the brush with chemicals that may damage the bristles or pose safety risks.
- Report any unsafe product incidents to local authorities.

Specific Safety Precautions for Use

- Ensure the brush is suitable for the specific rinse tank application before use.
- Use protective gloves if you have sensitive skin or are concerned about potential irritation.
- Avoid using the brush with excessive force to prevent bristle damage.
- Do not immerse the brush in water for extended periods as this may weaken the bristles.
- If any bristles become loose, discontinue use immediately and replace the brush.

Instructions for Installation and Usage

1. Preparation

- Ensure the rinse tank is empty and clean before using the brush.
- Inspect the brush for any visible damage or wear.

2. Using the Brush

- Hold the brush by the handle, ensuring a firm grip.
- Gently scrub the surfaces of the rinse tank using backandforth motions.
- Avoid using the brush on surfaces that may scratch or damage the tank.

3. PostUse Care

- Rinse the brush under clean water to remove any debris.
- Allow the brush to air dry completely before storing it.
- Store the brush in a dry, cool place away from direct sunlight.

Disposal Instructions

- Dispose of the brush in accordance with local waste disposal regulations.
- If the brush is damaged beyond use, consider recycling if possible.

Contact Information for Further Support

For any inquiries regarding the Rinse Tank Brush, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Enjoy using your Rinse Tank Brush responsibly!
