# Safety Instruction Guide for ARBOR ADAPTER OSBORN MANUFACTURING 1/2" ARBOR ONLY

## Introduction

Thank you for choosing the ARBOR ADAPTER OSBORN MANUFACTURING 1/2" ARBOR ONLY. This product is designed to provide safe and effective performance when used correctly. Please read this safety instruction guide carefully to ensure the safe use of this product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is suitable for your intended use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety goggles and gloves when operating machinery with this arbor.
- Follow all local regulations and guidelines regarding the use of power tools and accessories.

## Specific Safety Precautions for Use

- Ensure that the arbor is compatible with your tool and intended application.
- Never exceed the recommended maximum speed for the arbor.
- Do not use the arbor for any purpose other than its intended use.
- Always secure the workpiece before starting any operation.
- Maintain a safe distance from the cutting area to avoid injury.
- If the arbor becomes damaged or worn, discontinue use immediately and replace it.
- Be aware of the potential hazards associated with the material being worked on (e.g., dust, splinters).

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the tool is turned off and unplugged before installation.
- Select the appropriate arbor size for your tool (1/2" (12.7mm), 5/8" (15.9mm), or 3/4" (19mm)).
- Insert the arbor into the tool's spindle and secure it according to the manufacturer's instructions.
- Doublecheck that the arbor is firmly attached and does not wobble.

### 2. Usage:

- Before starting, ensure that the work area is clear of any obstacles.
- Turn on the tool and allow it to reach the required speed before making contact with the workpiece.
- Use a steady and controlled motion when working with the arbor.
- If you encounter resistance or unusual noises, stop the tool immediately and inspect the arbor and workpiece.
- After completing your work, turn off the tool and unplug it before removing the arbor.

## Disposal Instructions

- Dispose of the arbor in accordance with local regulations for hazardous waste.
- Do not dispose of the arbor in regular household waste.
- Consider recycling the product if possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding this product, please contact your local distributor or manufacturer. Ensure that you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we appreciate your commitment to using the ARBOR ADAPTER OSBORN MANUFACTURING 1/2" ARBOR ONLY responsibly.
