GUNSMITH'S RAWHIDE MALLET C.S. OSBORNE

RAWHIDE MALLET NO. 1 Safety Instructions

Introduction

Thank you for choosing the GUNSMITH'S RAWHIDE MALLET C.S. OSBORNE RAWHIDE MALLET NO. 1. This mallet is designed for gentle tapping and driving actions during woodworking and gunsmithing tasks. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the mallet before use to ensure it is free from damage.
- Use the mallet only for its intended purpose: gently tapping on barreled actions or driving slides back and forth.
- Keep the mallet out of reach of children to prevent accidents.
- Store the mallet in a dry place to prevent damage to the rawhide and handle.
- Report any safety concerns or product issues to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure you are in a stable position when using the mallet to prevent slips or falls.
- Avoid using excessive force when tapping or driving; this could damage the workpiece or the mallet itself.
- Do not use the mallet on materials that could shatter or splinter, as this may cause injury.
- If the mallet shows signs of wear or damage, discontinue use immediately.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the mallet.

Instructions for Installation and Usage

1. **Preparation:** Before using the mallet, ensure your workspace is clean and organized.
2. **Positioning:** Hold the mallet by the white hickory handle, ensuring a firm grip.
3. **Tapping Technique:**
 - For inletting or adjusting a barreled action, gently tap the mallet on the surface.
 - For driving a 1911 slide, position the slide correctly and apply controlled taps to move it back and forth.
4. **PostUse Care:**
 - After use, clean the mallet with a dry cloth to remove any debris.
 - Store the mallet in a safe location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the mallet according to local regulations regarding wood and rawhide products.
- If the mallet is damaged beyond use, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to your local retailer or manufacturer. Ensure you have the product details on hand for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
