

# **GUN/PARTS CLEANING BRUSH - BROWNELLS GUN/PARTS CLEANING BRUSH, 10 PACK**

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Gun Cleaning Brushes](#)

## **Military-Approved, Double-Ended Cleaning Power For Guns & Parts**

Developed for the U.S. Armed Forces to clean M16/M4 rifles quickly and effectively and get them back into action. Double-ended, solvent-proof, polypropylene handle provides a large, contoured series of nylon bristles to cover curves and open areas, while the short, extra-stiff, narrow line of bristles tackles the really tough crud in those hard to reach areas. Gets down inside actions, pistol slides, around the extractor star on revolver cylinders, plus provides superior scrubbing action for individual parts and hard-to-reach areas on shop machinery. Enough bristle backbone to remove greasy gun dirt, yet won't scratch delicate blued surfaces. We've used them with d'Solve™, EZ-Soak™, WD-40, Hoppe's bore cleaners, and a host of other solvents and oils on everything from fine custom rifles to neglected, black powder guns. An exceptionally good, practical, cleaning brush for use at the bench or in the field.

## **Attributes**

- Name: [BROWNELLS GUN/PARTS CLEANING BRUSH, 10 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 676450006
- Mfr. No.:

# GUN/PARTS CLEANING BRUSH SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Brownells Gun/Parts Cleaning Brush. This product is designed to effectively clean firearms and machinery parts, ensuring they remain in optimal working condition. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe use of the cleaning brush by following these guidelines:
  - Always use the brush for its intended purpose.
  - Keep the cleaning brush out of reach of children.
  - Inspect the brush before each use for any signs of damage or wear.
  - Store the brush in a dry place after use to prevent damage.
  - Do not use the brush on delicate surfaces without proper testing.

## Specific Safety Precautions for Use

- When using the cleaning brush, please observe the following precautions:
  - Avoid using excessive force while cleaning to prevent bristle damage.
  - Do not use the brush with solvents that are not compatible with nylon bristles.
  - Ensure proper ventilation when using cleaning solvents.
  - Wear protective eyewear and gloves when using solvents or cleaning agents.
  - If irritation occurs while using the brush or cleaning agents, discontinue use immediately and seek medical attention if necessary.

## Instructions for Installation and Usage

- Follow these steps for proper use of the cleaning brush:
  1. **Preparation:**
    - Gather all necessary cleaning materials and solvents.
    - Ensure the firearm or machinery part is unloaded and safe to clean.
  2. **Using the Brush:**
    - Select the appropriate end of the brush based on the area you wish to clean.
    - Apply a small amount of cleaning solvent to the bristles if needed.
    - Gently scrub the area, using the contoured bristles to reach curves and open areas.
    - For tough areas, use the short, extrastiff bristles to remove debris.
  3. **After Cleaning:**
    - Rinse the brush with water if using watersoluble cleaning agents.
    - Allow the brush to air dry completely before storage.
    - Dispose of any used cleaning materials in accordance with local regulations.

## Disposal Instructions

- Properly dispose of the cleaning brush when it is no longer usable:
  - Check local regulations for disposal of cleaning products and materials.
  - If the brush is damaged but still usable, consider recycling if applicable.
  - Do not dispose of the brush in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

- For safety inquiries or further support regarding the Brownells Gun/Parts Cleaning Brush, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Brownells Gun/Parts Cleaning Brush. Thank you for your attention to safety.
