# ARMORER'S/SHOP TRIGGER WEIGHTS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ARMORER'S/SHOP TRIGGER WEIGHTS CUSTOM GUNSMITHING ARMORER'S TRIGGER WEIGHT SET. This product is designed to provide a reliable and accurate way to measure trigger pull weights for various firearms. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the trigger weight set out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always use the trigger weight set in a safe and controlled environment.
- Ensure that firearms are unloaded and pointed in a safe direction before attaching weights.
- Do not exceed the maximum weight limit of 17¾ lb. when using the weights.
- Avoid using weights that are damaged or show signs of wear.
- Follow all local laws and regulations regarding the handling of firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that all components of the trigger weight set are present:
  - (1) ¼ lb. weight
  - (1) ½ lb. weight
  - (2) 1 lb. weights
  - (1) 3 lb. weight
  - (2) 5 lb. weights
  - (1) 2 lb. base weight
- Inspect each weight for any damage before use.

### 2. Attaching Weights

- Start with the 2 lb. base weight.
- Thread the desired additional weights onto the base weight to achieve the desired total weight.
- Weights can be combined in increments of ¼ lb. to reach the target pull weight.

### 3. Measuring Trigger Pull

- Securely attach the trigger weight set to the trigger of the firearm.
- Gradually increase the weight until the trigger breaks. This will indicate the pull weight of the trigger.
- Record the measurement for future reference.

### 4. PostUse Care

- Remove the trigger weight set from the firearm carefully.
- Store the weights in a safe place, away from children and unauthorized users.
- Clean the weights if necessary, following the manufacturer's guidelines.

## Disposal Instructions

- Dispose of any damaged or broken weights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For safety inquiries or support regarding the ARMORER'S/SHOP TRIGGER WEIGHTS, please refer to the product packaging or the manufacturer's website for contact details.

Thank you for choosing the ARMORER'S/SHOP TRIGGER WEIGHTS CUSTOM GUNSMITHING ARMORER'S TRIGGER WEIGHT SET. Your safety is our priority, and we encourage you to follow all safety guidelines to ensure a safe and effective experience.
