

OFFICIAL 4-3/4 Ib. TRIGGER WEIGHT SET - CUSTOM GUNSMITHING

4 3/4 LB TRIGGER WEIGHT SET

[Gunsmith Tools](#) > [Measuring Tools](#) > [Trigger Pull Gauges & Weights](#)

1/4 Ib. Increments For Referees, Gunsmiths

Approved by NRA because of their consistent, never varying readings in $\frac{1}{4}$ lb. (4 oz.) increments. Ideal for match referees and gunsmiths tuning triggers for match shooters. The roller on the trigger hook guarantees weight will always be on the center of the trigger curve ensuring repeatable readings.

Safety Instruction Guide for OFFICIAL 43/4 lb. TRIGGER WEIGHT SET

Introduction

Thank you for choosing the OFFICIAL 43/4 lb. TRIGGER WEIGHT SET by CUSTOM GUNSMITHING. This product is designed to help match referees and gunsmiths tune triggers for match shooters. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the trigger weight set with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations and guidelines when using this product.

Specific Safety Precautions for Use

- Always use the trigger weight set in a welllit and safe environment.
- Ensure that the firearm is unloaded before attaching the trigger weight.
- Use the product only on compatible firearms as specified by the manufacturer.
- Do not exceed the maximum weight capacity of the trigger weight set.
- Do not modify or attempt to repair the trigger weight set.
- If you experience any malfunction or irregularity during use, cease operation immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all components of the trigger weight set, including the base and weights.

2. Installation:

- Attach the 2 lb. base with hook securely to the trigger.
- Add weights as needed for your specific measurement:
 - For a total weight of 43/4 lbs., use:
 - (2) 1 lb. weights
 - (1) ½ lb. weight
 - (1) ¼ lb. weight
- Make sure all weights are firmly attached and balanced on the trigger hook.

3. Usage:

- Gradually apply weight to the trigger until the desired reading is achieved.
- The roller on the trigger hook will help maintain the weight on the center of the trigger curve for accurate readings.
- Record the readings and adjust as necessary for precise tuning.

4. PostUse:

- Carefully remove all weights from the trigger.
- Detach the base from the firearm.
- Store the trigger weight set in a safe and dry place.

Disposal Instructions

- Dispose of the trigger weight set in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents any potential harm to others.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the OFFICIAL 43/4 lb. TRIGGER WEIGHT SET. Always prioritize safety and adhere to the guidelines provided to enhance your experience with this product. Thank you for your attention to these important safety measures.
