Safety Instruction Guide for ARMORER'S/SHOP TRIGGER WEIGHTS CUSTOM GUNSMITHING 1 LB ARMORER'S WEIGHT

Introduction

Thank you for choosing the ARMORER'S/SHOP TRIGGER WEIGHTS CUSTOM GUNSMITHING 1 LB ARMORER'S WEIGHT. This product is designed to provide a reliable and simple weight system for measuring trigger pull on various firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle weights with care to avoid dropping or mishandling, which could cause injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the weights and rod for any signs of wear or damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for assistance.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the product in a safe and controlled environment.
- Do not exceed the maximum weight capacity of the system.
- Ensure that the weights are securely threaded into the base weight before use.
- Avoid using the product in wet or damp conditions to prevent slips and falls.
- Use appropriate personal protective equipment (PPE) such as safety glasses when measuring trigger pulls.
- Be cautious of sharp edges on weights and rods.

Instructions for Installation and Usage

1. Setting Up the Weights:

- Start with the 2 lb base weight.
- Thread the desired weights onto the base weight. The set includes:
 - (1) ¼ lb.
 - (1) ½ lb.
 - (2) 1 lb.
 - (1) 3 lb.
 - (2) 5 lb.
- Ensure that all weights are securely fastened.

2. Measuring Trigger Pull:

- Position the firearm securely in a stable location.
- Attach the weight system to the trigger of the firearm.
- Gradually increase the weight until the trigger is pulled.
- Record the weight at which the trigger releases.

3. PostUse:

- Carefully detach the weight system from the firearm.

- Store the weights and rod in a safe place, away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling metal components if applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding this product, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Thank you for following these safety instructions. Your safety is our priority.
