# Safety Instruction Guide for SHOTGUN MAGAZINE TUBE CAP WITH SWIVEL BASE

## Introduction

Thank you for choosing the SHOTGUN MAGAZINE TUBE CAP WITH SWIVEL BASE by OUTDOOR CONNECTION. This product is designed to enhance the functionality of your Remington or Mossberg shotgun by allowing for the attachment of a carry sling. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the shotgun is unloaded before installation or handling.
- Always follow the manufacturer's instructions for your shotgun model.
- Be aware of your surroundings and ensure a safe shooting environment.
- Store the shotgun and accessories in a secure location, out of reach of children.
- Regularly check the product for wear and tear, and replace if necessary.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the magazine cap with compatible shotgun models: Remington 870/1100/1187/1196 (12 ga. only) and Mossberg 500 and Maverick 88 (20 ga. & 12 ga.).
- Ensure the swivel stud is securely attached before using the sling.
- Do not exceed the weight limit of the sling when carrying your shotgun.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Be cautious when drilling the buttstock; use proper tools and techniques to avoid damage or injury.

## Instructions for Installation and Usage

### Installation Steps

#### 1. Preparation

- Gather all necessary tools, including a drill and appropriate drill bits.
- Ensure you have the included wood screw swivel stud and spacer.

#### 2. Drilling the Buttstock

- Mark the desired location for the swivel stud on the buttstock.
- Carefully drill a hole at the marked location, ensuring you do not drill too deep.

#### 3. Attaching the Swivel Stud

- Insert the wood screw swivel stud into the drilled hole.
- Tighten the stud securely, ensuring it is flush with the surface of the buttstock.

#### 4. Installing the Magazine Cap

- Remove the existing magazine cap from your shotgun.
- Install the new magazine cap by aligning it properly and securing it in place.
- Ensure that the cap is tightly fitted and that both ratchet and ball/spring detent systems are engaged.

## 5. Final Check

- Inspect the installation for stability.
- Test the swivel function to ensure it rotates freely.

## Usage Instructions

- Attach your sling to the swivel stud before carrying the shotgun.
- Ensure that the sling is adjusted to a comfortable length for carrying.
- Always verify that the shotgun is unloaded before attaching or detaching the sling.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the SHOTGUN MAGAZINE TUBE CAP WITH SWIVEL BASE, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your SHOTGUN MAGAZINE TUBE CAP WITH SWIVEL BASE. Thank you for your attention to safety, and enjoy your shooting experience responsibly.
