

RAZOR™ SLING - OUTDOOR CONNECTION RAZOR SLING

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

Economical Sling With Stretch Shoulder Pad & Built-In Swivels

Simple, inexpensive, lightweight carry sling of close-weave nylon webbing has a “razor”-thin, elasticized shoulder pad that absorbs shock as you walk, so you can carry your rifle all day without killing your shoulder. Pad is made of tough, 800-lb. test elastic material that won’t slip off the shoulder as you move. Can be used in for traditional or across-the-back carry. The Thumb-Loop adjustment system enables quick, easy length adjustments, while polymer swivels sewn directly to the sling ends ensure quiet operation without squeaking or scratching the stock. Knurled steel cross-bolts with screwdriver slots in the heads lock the swivels to standard sling studs.

Attributes

- Name: [OUTDOOR CONNECTION RAZOR SLING](#)

RAZOR™ SLING OUTDOOR CONNECTION Safety Instructions

Introduction

Thank you for choosing the RAZOR™ SLING by OUTDOOR CONNECTION. This safety instruction guide is designed to ensure the safe and effective use of your sling. Please read this document carefully before using the product to understand the safety precautions and proper usage instructions.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is securely attached to your rifle and that all components are functioning properly.
- Use the sling only for its intended purpose, which is to carry firearms safely.
- Keep the sling out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times when using the sling.
- If you notice any defects or issues with the sling, discontinue use immediately and contact customer support.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the sling.
- Avoid using the sling in wet or slippery conditions that may affect grip and control.
- Use the ThumbLoop adjustment system to ensure a secure fit and proper length.
- When using the sling in a twopoint configuration, ensure that the strap does not obstruct your movement or visibility.
- Always practice safe firearm handling procedures when using the sling.

Instructions for Installation and Usage

1. Installation

- Ensure that the sling is in good condition and free of defects.
- Attach the polymer swivels to the standard sling studs on your rifle.
- Adjust the length of the sling using the ThumbLoop adjustment system to fit your body and carrying style.
- Confirm that all connections are secure before proceeding.

2. Usage

- When carrying your rifle, position the shoulder pad on your shoulder for optimal comfort.
- Adjust the sling length to allow for a snug fit without restricting movement.
- If using the sling across your back, ensure that it is positioned securely to prevent slippage.
- Always check that the sling does not interfere with your ability to access or operate the firearm safely.

Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding textile waste.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the sling, as it may release harmful substances.

Contact Information for Further Support

For any inquiries or support regarding the RAZOR™ SLING, please contact the manufacturer. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RAZOR™ SLING. Thank you for prioritizing safety and responsible firearm handling.
