SUPER SLING Safety Instruction Guide

Introduction

Thank you for choosing the SUPER SLING® OUTDOOR CONNECTION 1" BLACK SUPER SLING. This product is designed to provide a versatile, safe, and efficient way to transition from carrying to shooting. This safety instruction guide outlines essential safety guidelines, precautions for use, installation instructions, and disposal information to ensure your safe experience with the product.

General Safety Guidelines

- Always inspect the sling for any signs of wear or damage before use.
- Ensure that the sling is properly adjusted to fit your equipment and personal comfort.
- Do not exceed the recommended weight limit for the sling.
- Use the sling only for its intended purpose; avoid using it for any unintended activities.
- Keep the sling away from children and vulnerable individuals to prevent accidents.
- Regularly check for product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the sling is securely attached to your firearm before use.
- Do not use the sling if it shows signs of fraying, tearing, or other damage.
- When using the sling as a "hasty sling," ensure that it is properly adjusted to avoid slipping.
- Always be aware of your surroundings and ensure that the firearm is pointed in a safe direction when using the sling.
- Avoid using the sling in extreme weather conditions that may affect its performance or your safety.

Instructions for Installation and Usage

1. Installation:

- Locate the sling studs on your firearm. Measure the distance between them to ensure proper fit.
- Attach the Talon Q/R swivels to the sling studs securely.
- Adjust the sling length by sliding the adjustment mechanism to your preferred length.
- Confirm that the sling is securely fastened and does not detach easily.

2. Usage:

- To switch from carry to shooting mode, simply adjust the sling as needed without the use of buckles, hooks, or snaps.
- For offhand shots, use the sling as a "hasty sling" by adjusting it to fit snugly against your body.
- Ensure that the sling is locked into position before taking any shots to maintain stability and control.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- Do not incinerate the sling as it may release harmful substances.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
