Safety Instruction Guide for Padded Super Sling Outdoor Connection

Introduction

Thank you for choosing the Padded Super Sling from Outdoor Connection. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using the sling to familiarize yourself with its features, safety precautions, and proper usage.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose as a firearm carrying and shooting accessory.
- Inspect the sling for any signs of wear or damage before each use. Do not use if damaged.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding firearm handling and safety.
- Always ensure that the firearm is unloaded when attaching or detaching the sling.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- When using the sling, ensure that it is securely attached to both the firearm and your body to prevent accidental release.
- Use the integral thumb loop to help control the rifle and reduce hand and arm fatigue while carrying.
- Be cautious when navigating rough terrain. Maintain a firm grip on the rifle at all times.
- Avoid using the sling in conditions where it may become entangled or snagged on obstacles.
- If you experience discomfort or pain while using the sling, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Unpack the sling and ensure all components are present.
- Attach the Talon Q/R swivels to the designated attachment points on your firearm. Ensure they are locked in place.
- Adjust the sling length to fit your body by sliding the adjustment buckle. The sling can be adjusted from 23½" to 33½" long.
- Test the attachment and adjustment by gently pulling on the sling to ensure it is secure.

2. Usage:

- Place the padded shoulder pad over your shoulder, ensuring comfort.
- Use the thumb loop to help stabilize the firearm.
- Transition from carry to shooting position by simply adjusting the sling without the need for buckles or hooks.
- When finished using the sling, detach it from the firearm and store it in a safe place.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- If the sling is damaged beyond repair, ensure it is disposed of in a manner that prevents it from being reused improperly.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact resources available on their website. Ensure you have the product details on hand for efficient assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Padded Super Sling responsibly!
