## High-Quality Blued Steel Replacement

High-quality replacement for a worn, damaged, or just plain “tired” magazine that no longer feeds correctly on a WWII-era Enfield No. 4 still in its original .303 British chambering. If you have an old rifle sidelined by feeding problems, a new mag can be a fast, easy way to get it back into service. These heavy-duty mags deliver a full 10-rounds and are constructed of heat-treated sheet steel, with a deep, gloss blued finish, so they’ll look good and last a lifetime of hard use. Steel floorplate removes for cleaning; steel follower. A rear rib has been added to allow fitting to older guns. May require fitting.

# Safety Instruction Guide for ENFIELD SMLE 10RD MAGAZINE 303 BRITISH

## Introduction

Thank you for choosing the ENFIELD SMLE 10RD MAGAZINE 303 BRITISH. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms with care and follow all safety protocols.
- Store the magazine in a secure location, away from children and unauthorized users.
- Inspect the magazine regularly for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify or alter the magazine unless you are a qualified gunsmith.
- Be aware of your surroundings when loading and unloading the magazine.
- Use only .303 British cartridges with this magazine.
- Do not exceed the magazine's capacity of 10 rounds.
- Keep fingers clear of the magazine's feed area when loading ammunition.
- If you experience feeding problems, cease use and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Enfield No. 4 rifle.
- Press the magazine firmly into the magazine well until it clicks into place.

### 2. Loading:

- Hold the magazine with the feed lips facing up.
- Insert .303 British cartridges one by one into the magazine, ensuring they are seated properly.
- Do not exceed the capacity of 10 rounds.

### 3. Unloading:

- To remove the magazine, press the magazine release button on the firearm.
- Pull the magazine straight out from the magazine well.
- To unload the magazine, press the follower down and remove each cartridge carefully.

### 4. Cleaning:

- Remove the magazine from the firearm.
- Use a soft cloth to clean the exterior of the magazine.
- The steel floorplate can be removed for deeper cleaning. Ensure it is securely reattached after

cleaning.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged or no longer functional, contact your local recycling center for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the ENFIELD SMLE 10RD MAGAZINE 303 BRITISH, please reach out to your local authorized dealer or manufacturer. Ensure you have your product details ready for assistance.

By following these guidelines, you can ensure safe and effective use of your ENFIELD SMLE 10RD MAGAZINE 303 BRITISH. Thank you for prioritizing safety.
