

DRUM MAGAZINE .40 S&W FOR GLOCK® 22/23 - PRO MAG DRUM MAGAZINE 50-RD POLYMER BLACK 40 S&W

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

A .40 S&W Drum Magazine Built for Compatible Glock Pistols

Owners of .40 S&W Glock pistols who feel left out of the extended magazine craze on the market that seems to focus on only 9mm guns now have a new option in the form of this Glock 22/23 Drum Magazine. Just like the company's 9mm option, this drum holds 50 rounds of .40 S&W. Each Glock 22/23 Drum Magazine is built using a proprietary Zytel polymer, which gives it added strength and durability, so it'll last through years of range time. To reinforce this already-durable design, the magazine features an upper tower constructed with a full-length steel insert that's stamped and welded, just like those found on OEM Glock magazines. This Glock 22/23 Magazine also includes a heat-treated magazine spring made from stainless steel, as well as an injection-molded magazine follower. The magazines are made in the USA and feature an all-black finish.

Attributes

- Name: [PRO MAG DRUM MAGAZINE 50-RD POLYMER BLACK 40 S&W](#)
- Manufacturer: [PRO MAG](#)
- Product no.: 687150592

Safety Instruction Guide for DRUM MAGAZINE .40 S&W FOR GLOCK® 22/23

Introduction

Thank you for choosing the DRUM MAGAZINE .40 S&W FOR GLOCK® 22/23. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized persons.
- Use the magazine only with compatible Glock models (Glock 22 and Glock 23).
- Do not exceed the stated capacity of 50 rounds.
- Inspect the magazine regularly for any signs of wear or damage.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way.
- Use only .40 S&W ammunition that is compliant with local regulations.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- If the magazine becomes jammed or malfunctions, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock 22 or 23 is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly insert the magazine until it clicks into place.

2. Usage:

- Load the magazine with .40 S&W ammunition by following these steps:
 - Hold the magazine with the feed lips facing up.
 - Push the rounds down into the magazine, one at a time, until it reaches the 50round capacity.
- To remove the magazine from the firearm, press the magazine release button and pull the magazine straight out.

3. Maintenance:

- Clean the magazine regularly with a soft cloth to remove dirt and debris.
- Check the magazine spring for proper tension; replace if necessary.
- Store the magazine in a protective case when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, do not attempt to recycle it. Instead, follow your local waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the DRUM MAGAZINE .40 S&W FOR GLOCK® 22/23, please refer to the manufacturer's website or customer service.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your DRUM MAGAZINE .40 S&W FOR GLOCK® 22/23. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to safety.
