## A Drum Magazine Built for Your Single-Stack Glock G43

One of the most popular single-stack nines on the market today is the Glock G43, providing armed citizens with an easy-to-carry CCW pistol that's shootable and provides plenty of stopping power in the form of the 9mm cartridge. However, the small, 6-round magazine included with the gun doesn't provide a ton of practice time, since shooters have to constantly reload. With these Glock 43 polymer magazines, you can spend more time shooting and less time reloading, up to and including a 50-round drum mag! Each Glock 43 Magazine is built using a proprietary Zytel polymer, which gives it added strength and durability, so it'll last through years of range time. To reinforce this already-durable design, the magazine features an upper tower constructed with a full-length steel insert that's stamped and welded, just like those found on OEM Glock magazines. These Glock 43 Magazines also include a heat-treated magazine spring made from stainless steel, as well as an injection-molded magazine follower. The magazines are made in the USA and feature an all-black finish.

## Attributes

- Name: [PRO MAG DRUM MAGAZINE 50-RD POLYMER BLACK 9MM](#)
- Manufacturer: [PRO MAG](#)
- Product no.: 687150595
- Mfr. No.: DRM-A14

# Safety Instruction Guide for POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE 50RD POLYMER BLACK 9MM

## Introduction

Thank you for choosing the POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE 50RD POLYMER BLACK 9MM. This guide provides important safety instructions to ensure the safe and effective use of your magazine. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always treat every firearm and magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Use only compatible firearms with this magazine. This magazine is designed specifically for the Glock G43.
- Regularly inspect the magazine for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm and magazine ownership and use.
- Store the magazine in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the maximum capacity of 50 rounds for this magazine.
- **Proper Handling:** Always handle the magazine with care. Avoid dropping or mishandling.
- **Check for Obstructions:** Before loading, ensure that the magazine is free of any obstructions that may prevent proper feeding.
- **Use Correct Ammunition:** Only use 9mm Luger ammunition with this magazine. Using incorrect ammunition can result in failure to function or damage.
- **Monitor for Malfunctions:** If you experience any malfunctions while using the magazine, cease use immediately and inspect for issues.
- **Heat Awareness:** Avoid exposing the magazine to extreme heat or direct sunlight for prolonged periods, as this may affect its integrity.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing upward.
- Insert rounds one at a time, ensuring they are seated properly.
- Do not force rounds into the magazine; if resistance is felt, check for obstructions.

### 2. Installing the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Check that the firearm is unloaded.
- Insert the magazine into the magazine well until it clicks into place.
- Perform a function check to ensure the magazine is seated correctly.

### 3. Using the Firearm:

- Follow all standard firearm safety protocols.

- Always ensure your target and what is beyond it is safe before firing.

#### **4. Removing the Magazine:**

- Ensure the firearm is pointed in a safe direction.
- Release the magazine by pressing the magazine release button.
- Remove the magazine from the firearm.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety or product functionality, please contact your retailer or the manufacturer directly. Ensure you have your purchase information ready for reference.

This guide is designed to help you use the POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE safely and effectively. Adhering to these instructions will help ensure your safety and the proper function of your magazine. Thank you for your attention to these important safety measures.
