## A Drum Magazine Built for Your Single-Stack Glock G43

One of the most popular single-stack nines on the market today is the Glock G43, providing armed citizens with an easy-to-carry CCW pistol that's shootable and provides plenty of stopping power in the form of the 9mm cartridge. However, the small, 6-round magazine included with the gun doesn't provide a ton of practice time, since shooters have to constantly reload. With these Glock 43 polymer magazines, you can spend more time shooting and less time reloading, up to and including a 50-round drum mag! Each Glock 43 Magazine is built using a proprietary Zytel polymer, which gives it added strength and durability, so it'll last through years of range time. To reinforce this already-durable design, the magazine features an upper tower constructed with a full-length steel insert that's stamped and welded, just like those found on OEM Glock magazines. These Glock 43 Magazines also include a heat-treated magazine spring made from stainless steel, as well as an injection-molded magazine follower. The magazines are made in the USA and feature an all-black finish.

## Attributes

- Name: [PRO MAG DRUM MAGAZINE 10-RD POLYMER BLACK 9MM](#)
- Manufacturer: [PRO MAG](#)
- Product no.: 687150597

# **Safety Instruction Guide for POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE 10RD POLYMER BLACK 9MM**

## **Introduction**

Thank you for choosing the POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this manual carefully before use and keep it for future reference.

## **General Safety Guidelines**

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always treat your magazine and firearm as if they are loaded.
- Store your magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage.
- If you notice any issues, do not use the magazine and seek professional assistance.

## **Specific Safety Precautions for Use**

- Always use the magazine only with the specified firearm (Glock 43).
- Do not attempt to modify or disassemble the magazine.
- Ensure the magazine is empty before cleaning or performing maintenance.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Do not exceed the recommended capacity of the magazine (10 rounds).
- Use only 9mm Luger cartridges in this magazine.
- If the magazine fails to feed or eject properly, stop using it immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is pointed in a safe direction.
- Check that the firearm is unloaded.
- Align the magazine with the magazine well of the Glock 43.
- Push the magazine into the well until it clicks securely into place.

### **2. Usage:**

- Load the magazine by inserting 9mm Luger cartridges into the magazine slots.
- Ensure that each cartridge is seated properly.
- Insert the loaded magazine into the Glock 43 as described in the installation section.
- After firing, remove the magazine by pressing the magazine release button and pulling the magazine out.

### **3. Maintenance:**

- Clean the magazine regularly with a soft, dry cloth.
- Avoid using abrasive materials that could damage the magazine.
- Check the magazine spring for proper tension and replace if necessary.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE, please contact the manufacturer or your local dealer.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your POLYMER MAGAZINES 9MM FOR GLOCK® 43 PRO MAG DRUM MAGAZINE. Stay safe and responsible.
