[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

## A Roller-Follower Magazine Designed for Smooth Feeding in Your AR-15

Available in a number of capacities, ranging from 5 rounds to 40 rounds, this Roller Follower Magazine designed for use in today's popular AR-15 rifles is built with a special feature that aids in feeding and reliable operation. In place of a traditional follower, the magazine features an anti-tilt roller follower, which means that rounds will be kept level for feeding, reducing the chance of a misfeed. Each AR-15 Roller Follower magazine is designed for use with the 5.56 NATO cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

# AR15 Roller Follower Magazines Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Roller Follower Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your AR15 rifle before use.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Store the magazine in a cool, dry place, away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify the magazine or its components in any way.
- Use only 5.56 NATO cartridges with this magazine to avoid malfunctions.
- If you experience a misfeed or malfunction, do not attempt to fire the firearm until the issue has been resolved.
- Avoid using the magazine in extreme temperatures or conditions that may affect its performance.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing upwards.
- Insert the first round into the magazine, ensuring it is seated properly.
- Continue to load rounds one at a time until the magazine is full. Do not exceed the 10round capacity.

### 2. Inserting the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into place until you hear a click, indicating it is securely locked.

### 3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button while pulling the magazine out of the magazine well.
- Store the magazine safely when not in use.

### 4. Cleaning and Maintenance:

- Regularly clean the magazine with a soft cloth to remove dirt and debris.

- Inspect the antitilt roller follower for proper function and cleanliness.
- Do not use harsh chemicals or solvents that may damage the polymer material.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, it should be discarded in a manner that prevents unauthorized use.
- Consider recycling the magazine if local facilities allow for the recycling of polymer materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the AR15 Roller Follower Magazine, please refer to the designated EU contact point for product safety.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your AR15 Roller Follower Magazine. Always prioritize safety when handling firearms and magazines. Thank you for your attention to these important safety measures.
