

AR-15 ROLLER FOLLOWER MAGAZINES 5.56MM - PRO MAG AR-15 ROLLER FOLLOWER MAGAZINE 40-RD POLYMER BLACK 5.56MM

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

A Roller-Follower Magazine Designed for Smooth Feeding in Your AR-15

Available in a number of capacities, ranging from 5 rounds to 40 rounds, this Roller Follower Magazine designed for use in today's popular AR-15 rifles is built with a special feature that aids in feeding and reliable operation. In place of a traditional follower, the magazine features an anti-tilt roller follower, which means that rounds will be kept level for feeding, reducing the chance of a misfeed. Each AR-15 Roller Follower magazine is designed for use with the 5.56 NATO cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

Safety Instruction Guide for AR15 Roller Follower Magazines 5.56MM

Introduction

Thank you for choosing the AR15 Roller Follower Magazine 5.56MM by Pro Mag. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your magazine. Please read this guide thoroughly before use.

General Safety Guidelines

- Always handle firearms and magazines with care and respect.
- Ensure that the magazine is compatible with your firearm model.
- Store magazines in a safe and secure location, away from children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear.
- Use only factory-manufactured ammunition that is appropriate for your magazine.
- Be aware of your surroundings and ensure that you are in a safe environment when loading and using your magazine.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that the magazine is unloaded before performing any maintenance or inspection.
- Avoid overloading the magazine beyond its specified capacity (40 rounds).
- Do not attempt to modify or alter the magazine in any way.
- If you experience any misfeeds or jams, cease use immediately and inspect the magazine for obstructions or damage.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- Use protective eyewear when shooting to safeguard against potential hazards.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the follower facing upwards.
- Insert rounds one at a time, ensuring they are seated properly and aligned with the magazine feed lips.
- Do not exceed the maximum capacity of 40 rounds.

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into place until you hear an audible click.

3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out from the magazine well.

4. Maintenance:

- Regularly clean the magazine to remove dirt and debris.
- Inspect the follower and spring for proper operation.
- Replace the magazine if it shows signs of significant wear or damage.

Disposal Instructions

- Dispose of the magazine in accordance with local laws and regulations.
- If the magazine is damaged or no longer functional, consider recycling the polymer material where facilities are available.
- Do not dispose of magazines in regular household waste.
