

# AR .308 POLYMER MAGAZINES .308 WINCHESTER - PRO MAG AR .308 MAGAZINE 30-RD POLYMER BLACK .308 WINCHESTER

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

## A Short-Action Magazine Built for DPMS and SR-25 Rifles

Most of today's AR .308 magazines are limited to just 10 or 20 rounds, which can be a pain for the range junkie who's looking to spend more time shooting and less time reloading. These polymer AR .308 magazines provided an expanded capacity, with 30- and 40-round magazine available to fit standard DPMS and SR-25 rifles. Each AR .308 polymer magazine is built for use with the .308 Win. cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

## Attributes

- Name: [PRO MAG AR .308 MAGAZINE 30-RD POLYMER BLACK .308 WINCHESTER](#)
- Manufacturer: [PRO MAG](#)
- Product no.: 687150607

# Safety Instruction Guide for AR .308 Polymer Magazines

## Introduction

Thank you for choosing the AR .308 Polymer Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. It is important to read and understand this information before using the product.

## General Safety Guidelines

- Always treat all firearms and magazines as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine before each use for any signs of damage or wear.
- Ensure that the magazine is compatible with your firearm model before use.
- Follow all local laws and regulations regarding firearm and magazine ownership and use.
- Be aware of your surroundings when handling firearms and magazines.
- Report any unsafe products or accidents to local authorities.

## Specific Safety Precautions for Use

- Ensure that the magazine is fully seated in the firearm before firing.
- Do not attempt to modify or disassemble the magazine.
- Use only .308 Winchester cartridges with this magazine.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals, as this may affect its performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Confirm that the magazine is securely attached before proceeding.

### 2. Usage:

- Load the magazine by inserting .308 Winchester cartridges into the magazine feed lips.
- Ensure that the cartridges are seated properly and that the magazine is filled to the desired capacity.
- Once loaded, insert the magazine into the firearm as described above.
- Always keep the firearm pointed in a safe direction when loading or unloading.

### 3. Unloading:

- Remove the magazine from the firearm by pressing the magazine release button.
- Ensure the firearm is pointed in a safe direction before removing cartridges from the magazine.
- Store the magazine in a safe and secure location when not in use.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of your AR .308 Polymer Magazine, please reach out to the manufacturer or authorized dealers for support. Ensure you have the product details available for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of your AR .308 Polymer Magazine. Thank you for your attention to safety!
