

# POLYMER MAGAZINES 9MM FOR GLOCK® 17/19/26 - PRO MAG MAGAZINE 32-RD POLYMER BLACK 9MM FOR GLOCK® 17/19/26

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## An Extended Magazine for Today's Popular 9mm Glock Handguns

Some of the most popular magazines used today are the Glock-pattern mags developed initially for the Glock G17 and compatible with some of the most popular 9mm Glock handguns on the market, including the G19 and the G26. These aftermarket Glock 17/19/26 polymer magazines bring enhanced capacity to these pistol platforms, as well as all of the other Glock magazine-compatible carbines and handguns available today. Each Glock 17/19/26 polymer magazine is built for use with the 9mm cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

# Safety Instruction Guide for POLYMER MAGAZINES 9MM FOR GLOCK® 17/19/26

## Introduction

Thank you for choosing the POLYMER MAGAZINES 9MM FOR GLOCK® 17/19/26. This guide provides essential safety information to ensure the safe use and handling of your magazine. Please read this information carefully before use and keep it for future reference.

## General Safety Guidelines

- Ensure the magazine is compatible with your Glock model (G17, G19, or G26).
- Always handle the magazine with care, treating it as if it is loaded.
- Keep magazines out of reach of children and unauthorized users.
- Inspect the magazine regularly for any signs of damage or wear.
- Do not use the magazine if you notice any defects or irregularities.
- Follow all local laws and regulations regarding the use and storage of firearms and magazines.

## Specific Safety Precautions for Use

- Always ensure your firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not attempt to modify or alter the magazine in any way.
- Use only 9mm Luger cartridges with this magazine.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals that may damage the polymer material.
- Ensure the magazine is properly seated in the firearm before use.
- Do not overload the magazine beyond its 32round capacity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine securely in one hand.
- Insert the first cartridge into the magazine, ensuring it is seated properly.
- Continue to load cartridges until the magazine reaches its 32round capacity.
- If the magazine becomes difficult to load, do not force cartridges in; check for any obstructions.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Using the Magazine:

- Load the magazine into the firearm as described in the installation section.
- Follow the manufacturer's instructions for operating your specific Glock model.

- After use, remove the magazine and store it safely.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, consider recycling the polymer material where facilities exist.
- Do not dispose of magazines in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your POLYMER MAGAZINES 9MM FOR GLOCK® 17/19/26, please refer to the manufacturer's website or contact their customer support directly.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your POLYMER MAGAZINES 9MM FOR GLOCK® 17/19/26. Always stay informed about safety practices and comply with local laws regarding firearm use. Thank you for your attention to safety.
