

POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27 - PRO MAG MAGAZINE 15-RD POLYMER BLACK .40S&W FOR GLOCK® 22/23/27

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Aftermarket Glock .40 S&W Mag With Expanded Capacity

In the market of expanded capacity magazines for Glock handguns, most manufacturers focus on 9mm options at the expense of other calibers that continue to be popular with today's handgun owners. One of those often-forgotten calibers is the .40 S&W, and these Glock 22/23/27 polymer magazines offer expanded options for more mags, as well as an increased capacity option that holds up to 27 rounds. Each Glock 22/23/27 polymer magazine is built for use with the .40 S&W cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

Attributes

- Name: [PRO MAG MAGAZINE 15-RD POLYMER BLACK .40S&W FOR GLOCK® 22/23/27](#)
- Manufacturer: [PRO MAG](#)

Safety Instruction Guide for POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27

Introduction

Thank you for choosing the POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your GLOCK® handgun before using the magazine.
- Always treat all firearms and magazines as if they are loaded.
- Store magazines out of reach of children and unauthorized persons.
- Regularly inspect your magazine for signs of wear or damage.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the possession and use of firearms and magazines.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use this magazine with .40 S&W cartridges.
- Do not exceed the magazine's capacity of 15 rounds.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Ensure the magazine is properly seated in the firearm before use.
- Do not attempt to modify or alter the magazine in any way.
- Always use the magazine in a safe and controlled environment, away from others.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well of the GLOCK® handgun until it clicks into place.
- Check to ensure the magazine is securely locked in place.

2. Usage:

- Load the magazine by pressing the cartridges down into the magazine until it is full (up to 15 rounds).
- When ready to fire, ensure the firearm is pointed in a safe direction and disengage the safety if applicable.
- To remove the magazine, press the magazine release button and gently pull the magazine out of the magazine well.

Disposal Instructions

- Dispose of the magazine in accordance with local waste disposal regulations.
- Do not dispose of the magazine in regular household waste if it is damaged or no longer usable.
- Contact local recycling centers for proper disposal methods for polymer materials.

Contact Information for Further Support

For any safety inquiries or additional information regarding your POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Always exercise caution and responsibility when handling firearms and magazines.
