

POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27 - PRO MAG MAGAZINE 27-RD POLYMER BLACK .40S&W FOR GLOCK® 22/23/27

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Aftermarket Glock .40 S&W Mag With Expanded Capacity

In the market of expanded capacity magazines for Glock handguns, most manufacturers focus on 9mm options at the expense of other calibers that continue to be popular with today's handgun owners. One of those often-forgotten calibers is the .40 S&W, and these Glock 22/23/27 polymer magazines offer expanded options for more mags, as well as an increased capacity option that holds up to 27 rounds. Each Glock 22/23/27 polymer magazine is built for use with the .40 S&W cartridge, and the magazine body is constructed using DuPont's proprietary Zytel polymer, which has been proven to be durable and long-lasting. Constant spring pressure is provided by a heat-treated chrome-silicon wire spring. The magazine are all made in the USA and feature an all-black finish.

Consumer Safety Instruction Guide for POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27

Introduction

Thank you for choosing the POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27. This guide provides essential safety information and instructions to ensure the safe use of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat every firearm as if it is loaded.
- Store magazines and firearms securely, out of reach of unauthorized individuals, especially children.
- Use only .40 S&W cartridges with this magazine.
- Regularly inspect your magazine for signs of wear or damage before use.
- Do not attempt to modify or alter the magazine in any way.
- Always follow the manufacturer's instructions for your firearm.

Specific Safety Precautions for Use

When using the POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27, keep the following precautions in mind:

- Ensure the magazine is properly seated in the firearm before firing.
- Avoid overloading the magazine; do not exceed the 27round capacity.
- Keep your fingers clear of the magazine release and trigger when loading or unloading.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding magazine capacity and firearm use.

Instructions for Installation and Usage

To ensure proper installation and usage of your magazine, please follow these steps:

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the Glock 22/23/27.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the base plate facing down.
- Using your thumb, press down on the follower and slide the first round into the magazine.
- Continue loading rounds until the magazine is full, ensuring not to exceed the 27round capacity.

3. Using the Magazine:

- Insert the loaded magazine into the firearm as described in the installation section.
- Ensure the magazine is securely in place before firing.
- Follow standard firearm safety practices while handling and firing your Glock.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- To unload, press down on the follower and remove each round individually or allow the rounds to fall out safely.

Disposal Instructions

When disposing of the POLYMER MAGAZINES .40S&W, follow these guidelines:

- If the magazine is damaged or no longer usable, dispose of it in accordance with local regulations for plastic waste.
- Do not attempt to recycle magazines that have been used with live ammunition.
- Ensure that any remaining ammunition is disposed of safely and according to local laws.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or customer service resources. It is important to have an EUbased contact for safety inquiries.

Conclusion

Your safety is paramount. By following the guidelines and instructions outlined in this document, you can ensure a safe and enjoyable experience with your POLYMER MAGAZINES .40S&W for GLOCK® 22/23/27. Always prioritize safety and stay informed about best practices in firearm handling and usage.
