

H&K 93 POLYMER MAGAZINE 5.56MM NATO - H&K 93 MAGAZINE 30-RD POLYMER BLACK 5.56MM NATO

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

An Affordable, Durable Polymer Magazine for Your HK 93 Rifles

Among today's 5.56 NATO rifles, the H&K 93 is a more unique option, but the HK fans out there that have these guns love to run them. To keep these guns going, a solid magazine is needed, and these H&K 93 polymer magazines are built right to keep your range days active and trouble-free. To keep things affordable, the magazine body on each of these H&K 93 mags is molded from DuPont's Zytel-based polymer, which has a reputation for durability. Inside the magazine, you'll find a long-lasting magazine spring made from heat-treated, chrome-silicon wire, which is topped by an injection-molded follower. These H&K 93 magazines are designed for use with 5.56 NATO and .223 Rem. only and hold up to 30 rounds. The magazine is made in the USA. H&K 93 Polymer Magazine Safety Instructions

Introduction

Thank you for choosing the H&K 93 Polymer Magazine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle firearms and magazines with care and respect.
- Ensure that the magazine is compatible with your firearm model (H&K 93) and ammunition type (5.56 NATO and .223 Rem.).
- Store magazines in a cool, dry place away from direct sunlight and moisture.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not attempt to modify or disassemble the magazine.
- Use only recommended ammunition types to prevent malfunctions.
- Avoid overloading the magazine beyond its 30round capacity.
- Do not use the magazine if it shows signs of damage, such as cracks or deformities.
- Be aware of your surroundings and ensure that the area is clear before loading or unloading your firearm.

Instructions for Installation and Usage

1. Loading the Magazine

- Hold the magazine with the feed lips facing upwards.
- Insert the rounds one at a time, ensuring they are seated properly.
- Do not exceed the 30round capacity.

2. Inserting the Magazine into the Firearm

- Ensure the firearm is on safe and the chamber is clear.
- Align the magazine with the magazine well.
- Push the magazine firmly into the well until it clicks into place.

3. Removing the Magazine

- Ensure the firearm is on safe and the chamber is clear.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance

- Regularly clean the magazine to prevent dirt and debris buildup.
- Use a soft cloth to wipe the exterior and a brush to clean the interior.
- Avoid using harsh chemicals that may damage the polymer material.

Disposal Instructions

- Dispose of the magazine according to local regulations.
- If the magazine is damaged or no longer usable, consider recycling the polymer material where facilities are available.
- Do not dispose of magazines in regular household waste if they contain any ammunition.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to your local dealer or manufacturer's representative.

Thank you for your attention to these safety instructions. Enjoy using your H&K 93 Polymer Magazine responsibly and safely.
