

HI-POINT 459TS STEEL MAGAZINE .45ACP - PRO MAG HI-POINT 4595TS MAGAZINE 14-RD STEEL BLUE .45ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Affordable Hi-Point Magazine With Increased Capacity

The affordable Hi-Point 459TS pistol-caliber carbine gives fans of the .45 ACP a chance to have some great range time with their favorite big-bore cartridge in something other than the venerable 1911 platform, but the limited capacity of the company's single-stack magazines means that the trigger time doesn't last. However, these extended magazines are designed for shooters to get more out of each mag. Each of these Hi-Point Carbine steel magazines are made from heat-treated carbon steel, which is then finished with a black-oxide treatment that prevents corrosion and adds durability to these affordable mags. To ensure reliable feeding, the magazines feature a spring made from heat-treated chrome-silicon wire, and that's topped by an injection-molded magazine follower. These Hi-Point Carbine steel magazines are designed for use with the company's .45 ACP guns only and feature an injection-molded grip sleeve to enhance the ergonomics of the platform. The magazine is made in the USA and holds up to 14 rounds.

Attributes

- Name: [PRO MAG HI-POINT 4595TS MAGAZINE 14-RD STEEL BLUE .45ACP](#)

HIPOINT 459TS STEEL MAGAZINE Safety Instructions

Introduction

Thank you for purchasing the HIPOINT 459TS Steel Magazine. This product is designed to enhance your shooting experience with the HiPoint 4595TS firearm. It is essential to follow these safety instructions to ensure safe and effective use of the magazine.

General Safety Guidelines

- Always handle the magazine with care and ensure it is not loaded when not in use.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Store the magazine in a cool, dry place to prevent corrosion and damage.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when loading or unloading the magazine.
- Only use the magazine with .45 ACP firearms designed for compatibility with this product.
- Do not exceed the magazine's capacity of 14 rounds to avoid malfunction.
- Avoid using damaged or corroded magazines as they may pose safety risks.
- Do not modify or alter the magazine in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the feed lips facing upwards.
- Place the first round into the magazine, pressing down until it clicks into place.
- Continue loading rounds until the magazine is full, ensuring not to exceed 14 rounds.
- After loading, inspect the magazine to ensure that all rounds are seated correctly.

2. Inserting the Magazine:

- With the firearm pointed in a safe direction, ensure that the firearm is on safe.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and is on safe.
- Press the magazine release button to disengage the magazine.
- Pull the magazine out of the magazine well.

4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Carefully unload each round from the magazine, ensuring that no rounds are left inside.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding metal recycling.
- If the magazine is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for safe disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the contact information provided by your retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HIPOINT 459TS Steel Magazine. Always prioritize safety when handling firearms and ammunition, and stay informed about best practices for firearm safety. Thank you for your attention to these important guidelines.
