

MOSSBERG 715T STEEL MAGAZINE .22LR - PRO MAG MOSSBERG 715T MAGAZINE 25-RD STEEL/POLYMER BLUE .22LR

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

An Extended Magazine That Fits Your Mossberg 715T

Looking to get more out of your Mossberg 715T? This all-steel magazine features an expanded capacity that allows you to have more trigger time with each loaded magazine, adding to the fun of a day out with a classic .22 LR rifle. The Mossberg 715T steel magazine is designed for use with .22 LR cartridges only and have a magazine body made from heat-treated carbon steel and completed with a lower-body extension molded from polymer. The metal part of the magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Mossberg 715T steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 25-round capacity and are made in the USA.

MOSSBERG 715T STEEL MAGAZINE Safety Instruction Guide

Introduction

Thank you for choosing the MOSSBERG 715T STEEL MAGAZINE. This guide provides important safety instructions and guidelines to ensure your safe and enjoyable experience with this product. Please read this manual thoroughly before use.

General Safety Guidelines

- Ensure that the MOSSBERG 715T STEEL MAGAZINE is used only with .22 LR cartridges.
- Always handle the magazine and the firearm it is used with as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not attempt to modify the magazine in any way.
- In case of a malfunction, stop using the magazine immediately and consult a qualified gunsmith or the manufacturer.

Specific Safety Precautions for Use

- Use the magazine only in compatible firearms designed for .22 LR cartridges.
- Always follow the firearm manufacturer's instructions regarding magazine use.
- Avoid exposing the magazine to extreme temperatures, moisture, or corrosive substances.
- Store the magazine in a cool, dry place when not in use.
- Use protective eyewear when loading or unloading the magazine.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Open the magazine by following the manufacturer's loading instructions.
- Insert .22 LR cartridges into the magazine, ensuring they are seated properly.
- Close the magazine securely.

2. Installing the Magazine into the Firearm:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Unloading the Magazine:

- Always point the magazine in a safe direction.
- Remove the magazine from the firearm.
- Open the magazine and remove any remaining cartridges.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, consider recycling the metal and polymer components where applicable.
- Do not discard the magazine in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MOSSBERG 715T STEEL MAGAZINE, please contact the manufacturer or consult the official website for support resources and safety updates.

By following these guidelines, you can ensure a safe and enjoyable experience with your MOSSBERG 715T STEEL MAGAZINE. Always prioritize safety and responsible usage. Thank you for your attention to these important safety instructions.
