

# SCCY CPX-1/CPX-2 STEEL MAGAZINES 9MM - PRO MAG SCCY CPX-1/CPX-2 MAGAZINE 32-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## An Extended Magazine for Your SCCY Handguns

Thanks to their affordable construction and compact size, SCCY's line of handguns have become popular for concealed-carry use, leading to a need for aftermarket magazines to serve as back-up option for concealed carry as well as for more trigger time at the range. These two all-steel magazines provide that to owners of the company's CPX-1 and CPX-2 handguns. The SCCY CPX-1/CPX-2 steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each SCCY CPX-1/CPX-2 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 15-round and a 32-round capacity and are made in the USA.

# SCCY CPX1/CPX2 Steel Magazines Safety Instruction Guide

## Introduction

Thank you for choosing the SCCY CPX1/CPX2 Steel Magazines. This guide provides important safety information, usage instructions, and disposal guidelines to ensure that you use your magazines safely and effectively. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm accessories in your jurisdiction before purchasing or using this product.
- Always handle magazines and firearms with care to prevent accidental discharge.
- Keep magazines out of the reach of children and unauthorized users.
- Inspect the magazine for any signs of damage or wear before use.
- Do not use the magazine if it is damaged, corroded, or malfunctioning.
- Store magazines in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the SCCY CPX1/CPX2 magazines with 9mm cartridges.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not overload the magazine beyond its specified capacity (32 rounds).
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- Wear safety glasses and hearing protection when shooting.
- If you experience any malfunctions while using the magazine, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the firearm is pointed in a safe direction and is not loaded.
- Hold the magazine with the base plate facing down.
- Use your thumb to press down on the follower and insert a round into the magazine.
- Repeat until the magazine is loaded to the desired capacity, ensuring not to exceed 32 rounds.

### 2. Inserting the Magazine into the Firearm

- Ensure the firearm is pointed in a safe direction and is not loaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine until it clicks into place.

### 3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

### 4. Cleaning and Maintenance

- Regularly clean the magazine to prevent dirt and debris buildup.
- Use a soft cloth and a mild cleaning solution for the exterior.
- Inspect the spring and follower for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations for hazardous waste.
- If the magazine is damaged or no longer usable, do not attempt to repair it.
- Contact your local waste disposal facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SCCY CPX1/CPX2 Steel Magazines, please reach out to the manufacturer or your local authorized dealer for assistance. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to safety and for choosing our product. Enjoy your shooting experience responsibly.
