

# SIG SAUER P938 STEEL MAGAZINES 9MM - PRO MAG SIG SAUER P938 MAGAZINE 6-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## A Ready-to-Perform Magazine for Your SIG Sauer P938

For fans of 1911-style handguns, the SIG Sauer P938 offers one of the smallest carry-ready packages on the market chambered in 9mm and equipped with a single-action trigger and a manual safety. However, the limited magazine capacity makes range practice a chore, and having only six rounds on tap can be detrimental in both practice and personal-defense. These aftermarket, all-steel magazines are built to enhance any P938 owner's capabilities. The SIG Sauer P938 steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each SIG Sauer P938 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 6-round and a 10-round capacity and are made in the USA.

## Attributes

- Name: [PRO MAG SIG SAUER P938 MAGAZINE 6-RD STEEL BLUE 9MM](#)

# SIG SAUER P938 Steel Magazines 9mm Safety Instructions

## Introduction

Thank you for choosing the SIG SAUER P938 Steel Magazines. These magazines are designed to enhance your shooting experience with the SIG Sauer P938 handgun. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the magazines.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized users.
- Always use the correct ammunition type (9mm Luger) as specified for your firearm.
- Regularly inspect magazines for damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that your firearm is in a safe condition before inserting or removing the magazine.
- Do not attempt to modify or disassemble the magazine.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- When loading the magazine, do so slowly and ensure that rounds are properly seated.
- Do not exceed the magazine's specified capacity (6round or 10round).
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly insert the magazine until you hear an audible click, indicating it is securely in place.

### 2. Usage:

- To load the magazine, press down on the follower and insert the rounds one at a time.
- Ensure that the rounds are seated properly and that the magazine is not overfilled.
- To remove the magazine, press the magazine release button and gently pull the magazine out of the magazine well.

### 3. Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.
- Use a soft cloth and a suitable cleaning solvent to wipe down the exterior.
- Inspect the spring and follower for signs of wear and replace if necessary.

## Disposal Instructions

- Dispose of used or damaged magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.

- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the SIG SAUER P938 Steel Magazines, please reach out to your authorized dealer or manufacturer representative.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your SIG SAUER P938 Steel Magazines. Always prioritize safety and responsible usage when handling firearms and ammunition. Thank you for your attention to these important safety measures.
