

SIG SAUER P938 STEEL MAGAZINES 9MM - PRO MAG SIG SAUER P938 MAGAZINE 10-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

A Ready-to-Perform Magazine for Your SIG Sauer P938

For fans of 1911-style handguns, the SIG Sauer P938 offers one of the smallest carry-ready packages on the market chambered in 9mm and equipped with a single-action trigger and a manual safety. However, the limited magazine capacity makes range practice a chore, and having only six rounds on tap can be detrimental in both practice and personal-defense. These aftermarket, all-steel magazines are built to enhance any P938 owner's capabilities. The SIG Sauer P938 steel magazine is designed for use with 9mm cartridges only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each SIG Sauer P938 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 6-round and a 10-round capacity and are made in the USA.

Attributes

SIG SAUER P938 Steel Magazines Safety Instruction Guide

Introduction

Thank you for choosing the SIG SAUER P938 Steel Magazines. This guide provides essential safety information and instructions to ensure the safe use and handling of your magazine. Please read this manual carefully before use.

General Safety Guidelines

- Always treat your magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with the SIG SAUER P938 before use.
- Use only 9mm Luger cartridges with this magazine.
- Do not attempt to modify or alter the magazine in any way.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- When loading the magazine, do so in a controlled environment and avoid distractions.
- Always point the firearm in a safe direction when loading or unloading.

Instructions for Installation and Usage

1. Loading the Magazine

- Hold the magazine in one hand with the feed lips facing upwards.
- Use the thumb of your other hand to press down on the follower.
- Insert one cartridge at a time into the magazine, ensuring that the cartridges are seated properly.
- Repeat until the desired capacity is reached, ensuring not to exceed the magazine's limit.

2. Installing the Magazine in the Firearm

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the SIG SAUER P938.
- Push the magazine firmly into the magazine well until it clicks into place.

3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to disengage the magazine.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance

- Regularly clean the magazine to prevent dirt and debris buildup.
- Use a soft cloth to wipe down the exterior and a brush to clean the interior.
- Inspect the spring and follower for wear and replace if necessary.

Disposal Instructions

- Dispose of the magazine responsibly and in accordance with local regulations.
- If the magazine is damaged or no longer usable, contact local authorities for proper disposal methods.
- Do not dispose of the magazine in regular waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding your SIG SAUER P938 Steel Magazines, please consult your local dealer or authorized SIG SAUER representative.

By following these guidelines, you will help ensure your safety and the safety of others while using the SIG SAUER P938 Steel Magazines. Thank you for your attention to these important safety instructions.
