

SMITH & WESSON SHIELD STEEL MAGAZINES - PRO MAG S&W SHIELD MAGAZINE 8-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

An Extended Magazine for Your Smith & Wesson M&P Shield

One of the most popular single-stack nines on the market, the Smith & Wesson Shield is only limited by its small magazine capacity, and these aftermarket steel magazines make up for that shortcoming with several different capacity options. Now, M&P Shield owners can train more and carry with increased confidence. The Smith & Wesson M&P Shield steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Smith & Wesson M&P Shield steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 8-round, 9-round and a 10-round capacity and are made in the USA.

SMITH & WESSON SHIELD STEEL MAGAZINES

Safety Instruction Guide

Introduction

Thank you for choosing the Smith & Wesson Shield Steel Magazines. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully to understand how to handle and maintain your product safely.

General Safety Guidelines

- Always treat your magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine before each use for any signs of damage or wear.
- Ensure that the magazine is compatible with your firearm model.
- Follow all local laws and regulations regarding firearm and magazine ownership and usage.
- Store magazines in a cool, dry place to prevent corrosion and damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with 9mm models as specified.
- Do not attempt to modify or disassemble the magazine.
- Avoid exposing the magazine to extreme temperatures or moisture.
- Use appropriate ammunition as specified by the manufacturer.
- Always keep your finger off the trigger until ready to shoot.
- Ensure that the magazine is fully seated in the firearm before use.
- If a malfunction occurs, follow safe handling procedures and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly into the magazine well until it clicks into place.

2. Usage:

- Load the magazine with the appropriate ammunition.
- Insert the loaded magazine into the firearm as described in the installation section.
- Check that the magazine is securely in place before firing.
- Follow safe shooting practices at all times.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not throw magazines in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Smith & Wesson Shield Steel Magazines, please refer to the manufacturer's website or contact their customer support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Smith & Wesson Shield Steel Magazines. Always prioritize safety and responsibility in all firearmrelated activities. Thank you for your attention to these important safety measures.
