

# SMITH & WESSON BODYGUARD STEEL MAGAZINES .380 ACP - PRO MAG S&W BODYGUARD MAGAZINE 15-RD STEEL BLUE .380 ACP

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

## A Range of Aftermarket Magazines for Your Smith & Wesson M&P Bodyguard

The diminished stopping power of the .380 ACP cartridge means that more shots are needed to stop a threat, and that means that owners of pocket pistols like the M&P Bodyguard from Smith & Wesson will need extra firepower on board or a ready reload. These Smith & Wesson Bodyguard steel magazines are built to do the job right. The Smith & Wesson M&P Bodyguard steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Smith & Wesson M&P Bodyguard steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 6-round, 10-round and a 15-round capacity and are made in the USA.

# Smith & Wesson Bodyguard Steel Magazines Safety Instruction Guide

## Introduction

Thank you for choosing the Smith & Wesson Bodyguard Steel Magazines. This guide provides essential safety instructions and guidelines to ensure safe handling, use, and disposal of the product. It adheres to the EU General Product Safety Regulation (GPSR) to protect consumers.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the magazine.
- Always treat every firearm as if it is loaded.
- Store magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm and magazine ownership and usage.

## Specific Safety Precautions for Use

- Always use the magazine with compatible firearms only, specifically the Smith & Wesson M&P Bodyguard.
- Use only .380 ACP cartridges in this magazine. Other calibers may cause malfunctions or damage.
- Avoid exposing the magazine to extreme temperatures or moisture to prevent corrosion.
- Do not attempt to disassemble the magazine beyond the manufacturer's recommendations.
- Never overload the magazine beyond its specified capacity of 15 rounds.
- When loading or unloading the magazine, ensure the firearm is pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the feed lips facing upwards.
- Place the cartridges in the magazine, starting from the bottom and pressing down until the cartridge clicks into place.
- Repeat until the magazine is loaded to your desired capacity, not exceeding 15 rounds.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- With the magazine loaded, align it with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

### 4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.

- Remove the magazine from the firearm.
- Press the follower down to release the cartridges one at a time, or use a speed loader if available.

## Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular household waste.
- Consider recycling the magazine if local facilities accept metal products.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and handling of your Smith & Wesson Bodyguard Steel Magazines, please refer to the manufacturer's official website or contact their customer support.

## Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Smith & Wesson Bodyguard Steel Magazines. Always prioritize safety and compliance with local laws. Thank you for your attention to these important safety measures.
