## SPRINGFIELD XD-9 MAGAZINE 32-RD STEEL BLUE 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

### An All-Steel, Extended Magazine for Your Springfield XD

For years, if you wanted more than 30 rounds in a handgun magazine, your only option was to go with Glock-pattern mags. Today, though, thanks to the huge number of Springfield Armory XD handguns on the market, these aftermarket mags make it possible to extend your trigger time at the range. The Springfield Armory XD steel magazine is designed for use with 9mm models only and have a magazine body made from heat-treated carbon steel. The magazine is treated with a black-oxide finish that combats corrosion and premature wear. Inside each Springfield Armory XD-9 steel magazine, you'll find a spring formed from heat-treated chrome-silicon wire, as well as an injection-molded follower. The magazines are available with a 32-round capacity and are made in the USA.

### Attributes

- Name: [PRO MAG SPRINGFIELD XD-9 MAGAZINE 32-RD STEEL BLUE 9MM](#)

# Springfield XD9 Steel Magazine Safety Instructions

## Introduction

Thank you for purchasing the Springfield XD9 Steel Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the magazine is compatible with your Springfield XD9 handgun model.
- Always handle firearms and magazines with care and follow all safety protocols.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage before use.
- Never attempt to modify or alter the magazine in any way.
- Follow local laws and regulations regarding the possession and use of firearm magazines.

## Specific Safety Precautions for Use

- Only use 9mm Luger ammunition with this magazine.
- Do not exceed the magazine's 32round capacity to prevent malfunctions.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.
- Avoid using the magazine in wet or humid environments to reduce the risk of corrosion.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the handgun.
- Firmly push the magazine into the magazine well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine in one hand and use the other hand to press down on the follower.
- Insert one round of 9mm Luger ammunition at a time, ensuring each round is seated properly.
- Do not exceed the maximum capacity of 32 rounds.

### 3. Using the Magazine:

- Insert the loaded magazine into the firearm as instructed in the installation section.
- Always ensure the firearm is pointed in a safe direction when firing.
- After firing, remove the magazine and inspect for any issues before reloading.

### 4. Unloading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Press the follower down and remove each round from the magazine carefully.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the use of the Springfield XD9 Steel Magazine, please refer to the appropriate local authorities or manufacturers.

Thank you for ensuring your safety and the safety of others while using the Springfield XD9 Steel Magazine.
